"John Jamieson has created The Perpetual Wealth System which allows us to see things as they are not the way we've been told by bankers, Wall Street, or even Uncle Sam. If you feel you can handle the truth John delivers. John makes a lot of sense. He can deliver more usable information in one hour than I received in 4 years of college. Thank you, John Jamieson, for giving my listeners an opportunity to break free from the perpetual debt system into the Perpetual Wealth System. You're offering freedom for those who will embrace the opportunity." *Erskine (Jeff) Payton, GCN, Erskine Overnight*

"John Jamieson is an entertaining and informative guest for any show. He explains a relatively unknown, but interesting topic in a way anyone can understand. John brings a high energy presentation that will captivate your listeners." *Bryan Vanderhoof, KRMS AM/FM*

"What a fabulous guest you were on my show..... You know your stuff but the most important thing is that you are excited about teaching people how to grow wealth. Your enthusiasm is contagious and I must say if anyone can teach us to grow wealth you can!" *Barbara Dooley, 1340 WGAU*
