Chairman Jesse Cole called the meeting to order at 7:00 p.m. Roll was taken and it was established that a quorum was present.

Chairman Cole recognized Patrons & Visitors. Marlys Farver spoke regarding her perception that our grades and Honor roll student lists were not in agreement with low test scores. She feels that Scobey School teachers aren't teaching enough. Board and Administration replied to our above state average scores, how we are monitoring this and also to our exceptional staff. Adam Christie wanted to know why Scobey Schools wasn't sending students to the Dickinson music festival - it was being left to parents. He also would like clarification as to why above state average is OK.

On motion by Matt Stentoft and seconded by DuWayne Wilson, the minutes from the September 13, 2021 Regular meeting were approved unanimously as presented.
