PDGA Tour Event Evaluation Form

This form gives players the opportunity to provide feedback on Tour Events to the PDGA & TDs. Most events run pretty smooth, are lots of fun, and have a few problems. That is the norm. Players are encouraged to use this form whenever an event or something about it was superb, or when an event fell short of their expectations, and to provide detail as they feel appropriate.

3. Rate the level of difficulty for each course.

4. Should shorter tee pads be used for:

Women Divisions	
Novice/Rec Divisions	
Intermediate Divisions	
Am Age-Protected	
Pro All Age-Protected	

5. The only way to accommodate more players and have all participants enjoy the Wild Horse experience is to split up the event into two weekends (potentially hosting over 1,000 players). If this was pursued in 2019, the Amateurs would play a three-day event (no finals) from Friday, February 15th through Sunday, February 17th. The warm-up day for the Amateur weekend would be Thursday, February 14th. The Professionals would then play the four-day format (like that used this year, and 40% playing in Sunday finals) from Thursday, February 21st, through Sunday, February 24th. The warm-up days for the Professional weekend would be Monday, February 18th through Wednesday, February 20th.

Would you support breaking up the event to allow additional players to participate?

Yes ☐ No ☐

6. If you are an Amateur player, and you answered "Yes" above, would you come back to Wild Horse during the Professional Weekend as a spectator?

Yes ☐ No ☐

PDGA

PROFESSIONAL
DISC GOLF
ASSOCIATION

Innova Champion Discs and the LVC Disc Golf Team, in partnership with **adidas TERREX**, DiscGolfValues.com, the Professional Disc Golf Association (PDGA), Jacquart Events LLC, the Las Vegas Disc Golf Club, and the many other sponsors (see pages 37 & 38 for a full list) are honored to present the 19th Annual LVC disc golf tournament...and kick-off the PDGA's 2018 National Tour (NT) Elite Series!

The 2018 format will mimic that used last year, with each participant playing three temporary courses at the Wild Horse Golf Course. The facility offers ample room for three premier course designs, a large warm up area, an indoor vending area, space for an outdoor Fly Mart and Player's Party, and an area for many extra-curricular activities. (See pages 9 & 10 for a schedule of events, pages 13 & 14 for event activities, and pages 41 & 42 for an overall map. The prior page as a detailed map of Tournament Central.)

The ≈570 participants will play each of the three courses once, with the top 40% of each division playing a fourth round in the Sunday finals. (Note this quantity was 50% in prior years.)

Each player is also automatically included in the daily \$100 longest hole-in-one, per course, contest, and numerous closest-to-the-pin contests.

The LVC was designed for all participants in mind. Some holes are long, some are short; some are easy, some are not; some have sand traps and greens in the fairway, some are wide open; some have baskets on hill tops, some have easy putting areas; some are played in dirt, and some have a lot of water hazard – so hopefully there is a little of something for everyone.

Since many participants want to compare their playing abilities to others, especially the touring professionals, everyone will use the same teeing areas and playing the same courses. This structure keeps the event simple to manage. The course layouts and schedule were established and available to review well before the event, so everyone knew what they were going to play.

Endless volunteer hours will be spent preparing and running the LVC, with an aim that everyone will enjoy themselves. So we kindly request that everyone be courteous to all participants, sponsors, spectators, and volunteers. Remember - The LVC is an event for the masses.

Welcome from Wild Horse

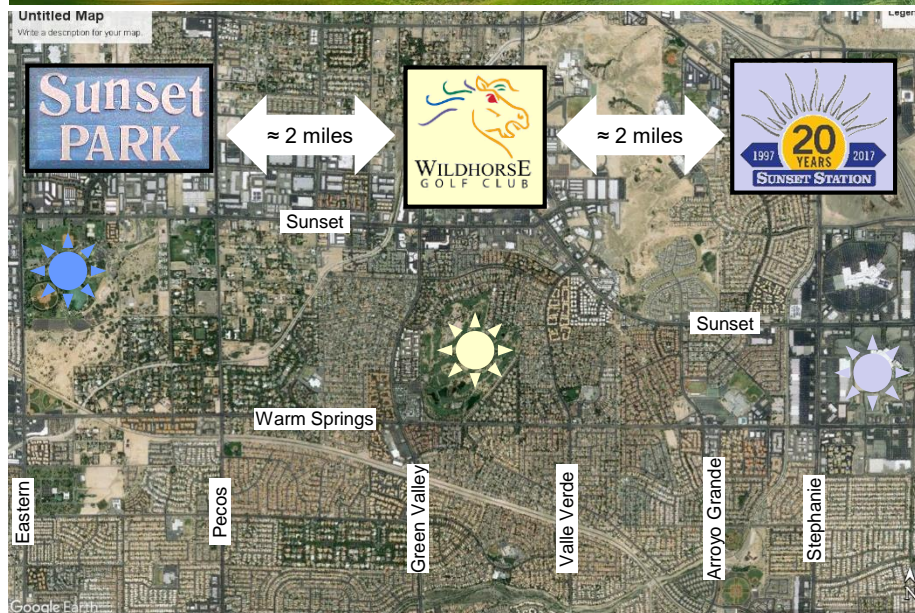

Once again, the Wild Horse Golf Course, established in 1958, the only municipal golf course owned by the City of Henderson, is proud to host the 19th Annual Las Vegas Challenge disc golf tournament. After the success of last two events, improvements have been made to the two quasi-permanent disc golf courses on our property. Disc Golf play is still available year-round.

Our 23-hole afternoon course, which incorporates four **Course adidas TERREX** holes and many **Course Innova** holes, is available for play in the afternoon. Our 23-hole morning course, with tee times available from sunrise to half-an-hour after sunrise, incorporates many **Course adidas TERREX** holes and **Course DiscGolfValues.com** holes.

Wild Horse is only one of three golf courses in the region recognized by Audubon International as an Audubon Cooperative Sanctuary – so please be careful of our wildlife and their protected habitat. Please note the local rules listed on pages **25 & 26**, some of which are extremely important to us.

If you are interested in playing a round of ball golf at one of our other locations (see page **23**) while visiting Las Vegas (at a LVC discounted rate, of course), please see staff in the Wild Horse Pro Shop. Good luck and enjoy!

Pyramid of Baskets

Held during the Saturday night Player's Party

For \$10, you get three (3) chances to make your disc in one of the 18 baskets (9 on Level I, 6 on Level II, 3 on Level III, and 1 on Level IV.) If your disc lands in the single basket on level IV, you will win an **Innova Discatcher Basket!** Discs in the level three will win a **large prize**, in level two will win a **medium prize**, and level one wins a **little some'n-some'n**.

Over \$1,000 in prizes expected to be won!

For safety reasons, only LVC Staff may retrieve any discs in any of the baskets. Please remain clear of the Pyramid of Baskets! There is an unlimited number of prizes to be given away, so if the line(s) seem long, be patient my friend...your chance will come.

Dosh Board Golf is a strategy board game. The winner will be the one who manages risk vs. reward and the conditions in the most favorable path. The game incorporates different cards for water, trees, terrain, and wind. Each game changes based on 60 wind settings and 32 different clubs. Four 12-sided dice establish strategic variability expected with ace runs, doinked putts, roll-aways, out-of-bounds, elevation change, lost clubs, and difficult lies.

LVC Charities

Boy Scouts - Troop 132 will be running the Putting Trials on Saturday, from 9 AM to 3 PM. This year, \$100 in discs and \$400 in cash will be donated. Since 2011, over \$5,000 in merchandise and cash has been donated from the LVC!

Girl Scouts - Various troops will be on-site during the weekend selling Girl Scout cookies! Each scout will receive a disc for their participation!

Disc Golf in Schools - Over \$7,000 in merchandise has been donated to our Disc Golf in Schools effort from the LVC. This year, over \$1,000 in new and used discs will be donated to the cause. If you have any discs that you don't need (or it just went into the water too often), drop them off in our "school" bin!

Throw Pink - Established in 2013, Throw Pink encourages women and girls to get out and be more physically active. Over \$1,600 has been donated to Throw Pink, including \$1,000 this year from their merchandise sale proceeds!

St. Jude - Two difference St. Jude fund-raisers are occurring at the LVC - the Putting Contest and the Distance Contest. \$1,000 per year has been donated for last two years from the LVC! Our goal is to donate \$2,000 this year, so please participate in one of the extra-curricular activities! 100% of the income goes directly to St. Jude!

PDGA Guide to Event “Levels”

There are several “levels” of PDGA- sanctioned events. Majors and NTs require that a rules proficiency (officials) exam has been passed by all players and Majors, NTs, and A-Tiers, require current PDGA membership to participate. For B and C-Tiers, a \$10 non-PDGA fee can be paid to play.

Major Events

Majors include World and National Professional and Amateur championships. Entry into these events are based on invitations and player qualification. Qualifications are awarded according to points acquired the prior year from PDGA events, and other criteria. Majors typical number less than a dozen per year.

National Tour / Elite Series

NTs are showcased Professional events (and limited to just Open and Open Women divisions since 2016). NTs typically include three days of competition, with at least \$4,000 added to the purse. Due to their popularity, “tiered” registration is required, allowing higher-rated Open and Open Women to register up to three weeks before others. NTs typical number less than ten per year. Last year was the first year the LVC was classified as an NT.

SuperTour / A-Tier

SuperTours are regional events that have a reliable and successful history. SuperTours require at least three rounds of play, at least \$2,000 added to the purse, 100+% payout to Pros, 110+% payout to Ams, and an Am player's package valued at \$25+. Current SuperTours number over one hundred per year. The LVC was a SuperTour from 2004 through 2016. For 2017 and 2017, the Amateur and Aged-Protected Professional divisions were/are classified as an A-Tier.

B-Tier

B-Tiers are State-level events with at least two rounds of play, providing 100+% payout to Pro and Am fields, and an Am player's package valued at \$10+. The LVC was a B-Tier from 2001 through 2003.

C-Tier

C-Tiers are local events providing 85%+ payout to Pro and Am fields. The LVC was a C-Tier for its inaugural year (2000).

X-Tier

X-Tier are unique/experimental events (doubles, ratings-based, team, etc.).

Why an LLC to run the LVC?

In late 2016, the Tournament Director of the Gentlemen's Club Challenge, Jeff Jacquart (PDGA #10749), created an LLC to run the event. A key reason for the change was to remove the Las Vegas Disc Golf Club (LVDGC) from any financial obligations tied to the event, especially with the TD no longer being on the LVDGC Board. (Jeff "retired" from being a Board member so 100% of his *disc golf time* could focus on the GCC/LVC.) Prior events necessitated the Club to "front" money for the professional purse payouts since not all fund-raising merchandise was sold prior at the close of the event.

It costs money to run an LLC – costs typically waived for formally recognized non-profit clubs. LLC annual fees include \$200 for CPA fees, \$350 State Licensing fees, \$250 City Licensing fees, \$2,500 in Sales Taxes, and \$1,250 in Use Taxes. As required, all income and costs are reported to the IRS.

Fun Activities

Accuracy - The goal is to throw four discs from seven stations through a square target. Each disc that passes through the frame is counted as a "hit".

Double Disc Court - Played with two teams of two players each and two 110 gram Wham-O pro model (or similar) discs. The field of play includes two courts, each defended by each team. The first team to earn 15 points wins (and must win by 2). Go to www.wfdf.org/sports/ddc for rules.

Fly Mart - Check out different discs and targets offered by a variety of disc golf manufacturers during the Fly Mart, scheduled from Noon to 8:30 PM (through the Player's Party) on Saturday. Special vendors include discmania, Dynamic Discs, & Legacy Discs.

Hott Shott - A putting contest using DX Sonics from six stations, with each station having a different value. Must start with closest station, putt from behind the station, and cannot move any discs in the basket. After all stations are played, add the point value listed on each disc for a total score. Add an extra 10 bonus points, per station, if all station discs were made. Add another 20 bonus points if all 24 discs were made, for a perfect score of 500 points.

Mini Course (Nine Holes) - A nine hole mini course is available for play during the entire event. No fee required!

Player's Party - Saturday night is the on-site Party, which will include the St. Jude's Putting Finals (~5:00 PM), St. Jude's Distance Finals (~6:00 PM...lights taped to discs for better viewing), Tower of Baskets Challenge (~5:00 PM to ~7:00 PM); Raffle (ticket purchases close at 5:00 PM, drawing thereafter throughout Party). Beer Garden provided by Aces & Ales, Sierra Nevada, and Stone Brewing!

Raffle - Held Saturday night at the Player's Party! \$1/1 ticket, \$5/7, \$10/20, \$20/50, \$50/150, \$100/400. Over \$2,000 in raffle items! Must be present to win.

Ring of Fire - Will occur at the close of each day, with **over \$200 in goods per day** given away (**over \$1,000 total**)! Open to everyone!

Silent Auction - Bidding via e-mail to j_jacquart@yahoo.com closes Saturday at Midnight. Bidding via text 702-275-9435 closes Sunday at 3:00 PM. Live bidding closes Sunday before Award Ceremony. Over \$3,000 in auction items! You do not have to be present to win.

Tic-Tac-Toe - A mini tic-tac-toe station is available! Try betting a friend for some of their raffle tickets!

Tower of Baskets - Hosted during the Player's Party. For \$10, you get **three chances** to make your disc in one of the 18 baskets (9 on level 1, 6 on level two, 3 on level 3, and 1 on level four). Prizes awarded per level. Level four prize is an Innova Discatcher Basket!

PDGA 2018 Rule Changes

Summary of Rule Changes

New Stuff

Relief Area - A Relief Area is essentially a penalty-free OB area. A TD can use a Relief Area to keep players out of certain areas of the course, for example an area around a yellow-jacket nest, an area under construction, or an area with protected plants. **(For the LVC, there are no relief areas.)**

Hazard - A Hazard is an area where you get a penalty but do not relocate the lie. **(For the LVC, sand traps are defined as Hazards.)**

Lateral Hazard - New OB option, available at the discretion of the TD - you play from the closest in-bounds point. **(For the LVC, this is not an option.)**

Major Rule Changes

Lie - Is now an area. It's a rectangle 20cm wide and 30cm deep centered behind the marker.

Minor Rule Change

807.B: The rule for completing the hole has been simplified. Your disc must enter the target correctly and then be supported by the target.

1. The orange disc spanning the nubs is good. Part of the disc is over the top of the tray so it has entered the target correctly.
2. The red disc dangling on a single nub is good. Some small part of the disc is over the top of the tray, so it has entered the target correctly.
3. The white disc is good. The only way it would not be good is if it fell through the top.
4. The red disc suspended in the chains is good.
5. The yellow disc is good. The bottom of the disc breaks the cylindrical plane between the top of the tray and the bottom of the chain support, so it has entered the target correctly.
6. The soft red disc wedged in the tray is almost certainly not good, as by far the most likely way for it to get there is by flying into the side of the tray from the outside. If it somehow entered the target over the top of the tray and bounced back out before getting stuck in the side (extremely unlikely), then it is good.

Summary of Rule Changes – Continued

More Minor Rule Changes

- 802.02.D:** If a throw does not change a player's lie (like missing the island on an island hole), they throw again instead of waiting for others to throw.
- 802.07:** There is no longer a re-throw after a stance violation. The throw counts.
- 802.07.C:** There is no longer a warning for the first stance violation.
- 803.02.A:** The five-meter limit on casual relief has been removed. You may go back along the line of play to the first available lie, however far that is.
- 803.02.E:** A player may take free optional relief (back along the line of play) when placing the lie after taking a penalty for OB or above two meters.
- 809.01.A:** A player may abandon a throw at the cost of one penalty throw (other penalties are not counted). Abandoned Throw replaces Optional Re-throw.
- 805.02.C:** A target for a hole other than the one being played is subject to the two-meter rule.
- 806.02.G:** If an OB area has a drop zone, the TD may allow you to go directly there at the cost of two penalty throws (rather than trying to throw over an OB lake, for example).
- 806.02.D.3:** You are guaranteed a lie up to one meter from all OB (handles OB lines that create a corner).
- 807.B:** The rule for completing the hole has been simplified. Your disc must enter the target correctly and then be supported by the target. (See page 17)
- 809.03.A:** Practice throw has been redefined. A throw that travels less than 5 meters in the air to return a disc to a player or your bag is not a practice throw.
- 810:** The consensual interference rule (formerly 804.03.G) has been removed.
- 810.F:** Accidentally interfering with your own throw (for example, if your putt rolls back and hits you or your bag) incurs a one-throw penalty. As before, intentional interference with your own (or anyone else's) throw incurs a two-throw penalty.
- 810.H:** You can move a disc that has landed on or behind your lie.
- 811.F.5:** A player who is not present to play a hole gets par plus four.
- 811.F.9:** A player who starts on the wrong hole and/or in the wrong group receives a two-throw penalty.

Infinite Discs

Have you ever wondered how many discs InfiniteDiscs.com has? Well, now is your chance to find out. First, count every disc in your bag. Then, add that number to your worst score ever. Finally, multiple that number by the number of grains of sand in the state of California. That's right, that's the number of discs we have in stock (or close to it). Each disc is individually photographed, cuddled, and loved. Then, the disc is placed for adoption on our website so that you can take it home and make it yours. That's how we do it at InfiniteDiscs.com

Why an LLC to run the LVC?

In late 2016, the Tournament Director of the Gentlemen's Club Challenge, Jeff Jacquart (PDGA #10749), created an LLC to run the event. A key reason for the change was to remove the Las Vegas Disc Golf Club (LVDGC) from any financial obligations tied to the event, especially with the TD no longer being on the LVDGC Board. (Jeff "retired" from being a Board member so 100% of his *disc golf time* could focus on the GCC/LVC.) Prior events necessitated the Club to "front" money for the professional purse payouts since not all fund-raising merchandise was sold prior at the close of the event.

It costs money to run an LLC – costs typically waived for formally recognized non-profit clubs. LLC annual fees include \$200 for CPA fees, \$350 State Licensing fees, \$250 City Licensing fees, \$2,500 in Sales Taxes, and \$1,250 in Use Taxes. As required, all income and costs are reported to the IRS.

Summary of Rule Changes – Continued

Tobacco Policy at National Tour Events & Concurrent Events

The use of tobacco products by event staff, players, and by extension their caddies, is prohibited at all PDGA Majors and National Tour events, as well as those events held concurrently with those Major and NT events, from the two-minute warning until their scorecard is turned in. This prohibition includes all smoking and chewing tobacco products (excluding nicotine gum) as well as electronic and vapor cigarettes.

For players and their caddies, any open and visual possession of any product banned under the smoking policy will be treated as a courtesy violation, and violators will be asked to put away the product until after the round has concluded. Subsequent violations will be handled per PDGA Rule 812.C with penalty throws assessed and repeated violations may result in disqualification in accordance with Competition Manual Section 3.03 - Player Misconduct.

A Tournament Director may opt to provide designated smoking areas out of the public eye for players, caddies, and event staff to use during the round, and all rules concerning the pace of play still apply (Competition Manual 3.02). In cases where local laws and policies conflict with this policy, please contact the PDGA Tour Manager for guidance. **(For the LVC, the designated smoking areas are any areas within 30 feet of a restroom.)**

1.10 Distribution of Prizes

- B.** An Amateur playing in a Pro division may not accept merchandise in lieu of cash in Major, National Tour, and A-Tier events; they may only accept a trophy (if one is available). All cash payouts at or below that place would move down one place causing an additional place to be paid.
- C.** Any prizes (money or merchandise) declined by a player must pass down to the next finishing position. (Example: If a player placing third declines his prize, the player in fourth place will receive the third place prize, the player in fifth will receive the fourth place prize, etc.) Tournaments are allowed to retain prizes that have been declined by all players within a division only after the declined prizes have been passed through all finishing positions.
- D.** The usage of skins (and other similar formats) is permitted at PDGA events but those scores are not allowed to determine a player's overall standing in the event and prizes are not credited towards a player's winnings.
- E.3.** If a TD uses electronic payments (such as PayPal) for Pro cash prizes, those prizes must be distributed within two business days of the completion of the event. TDs must provide cash or checks to those who do not have the ability to receive payment electronically.

Basic PDGA Rules

As a PDGA National Tour and A-Tier participant, you are expected to know the PDGA rules and understand the course layouts. When in doubt of a correct ruling, please use provisional option (See Section 809.02 below).

801.02(A) Group - Players are assigned to a group for the purpose of verifying scores and ensuring play in accordance with the rules.

801.02(D) Warning - Do not need to be confirmed to be enforced.

801.02(E) Penalty - Requires confirmation by another player in the group.

801.03 Appeals - Thrower may make a set of provisional throws (see below) for each additional possible outcome of ruling, and later appeal the ruling to an Official or to the Director when practical.

802.02(D) Re-Throw - If a player is making another throw from the same lie, or a re-throw, that player remains next in the throwing order.

802.04(C) Stance Violation - 802.04.B violations receive one penalty throw.

803.01(B)(C) Obstacles - May move casual obstacles on or behind lie. Moving obstacle other than as allowed is one penalty throw.

803.02(D)(E) Optional Relief - May at any time take optional relief. New lie is farther from the target, on the line of play, with one penalty throw. No penalty throw is added if optional relief is taken following a out-of-bounds penalty.

805.01(A) Position - Is where the disc first comes to rest.

806.01(B) Balance - After having released a putt (within 10 meters), must demonstrate full control of balance before advancing toward the target, otherwise a stance violation and one penalty throw.

806.03(A) Casual Area/Water - Any body of water that is in-bounds.

808(C) Warnings - Warnings or penalties are to be noted with score.

809.01(1) Abandoned Throw - Throw and one penalty throw, with play from lie which abandoned throw was made. Penalty throws incurred by the abandoned throw are disregarded.

809.02(B) Provisional Throw - Used to save time when the status of a disc cannot be readily determined because it may be lost, out-of-bounds, or have missed a mandatory. Play continues from whichever of the two throws is deemed by the group to have resulted in the correct lie. To appeal a ruling when there are different resulting lies (Section **801.03** from above), a set of provisional throws may be taken to complete a hole when a player in the group disagrees with a group decision. Scores from both sets of throws are recorded. Once the appeal has been resolved, only the score from the correct set of throws is counted.

Elite Golf MANAGEMENT

Wild Horse Sponsorship History
2018 - \$5,000 towards tee pad improvements

The Game Has Changed

The days of excess are over. Many golfers cannot currently afford to pay high green fees and business models that worked in years past no longer work in today's environment. Many courses have seen their profits shrink, or worse, are losing money.

The Pathway to Profitability

Maximizing Resources

Elite Golf Management helps you run more efficiently by eliminating unnecessary expenses while making the most of your resources. We have a proven track record of turning struggling facilities into profitable business ventures in a short period of time.

Individualized Approach

No two facilities are the same. Consequently, a cookie-cutter approach to managing facilities leads to inefficiencies that diminish profits. That's why Elite Golf Management takes a unique management approach to each facility. We evaluate operational factors such as location, market, climate, facilities, turf conditions, and more to develop a customized plan to optimize your profitability.

Attention to Detail

We focus meticulously on the finer points of the golfer's experience at our facilities. From merchandising and events to turf conditions and the speed of greens, nothing is overlooked. Our attention to detail sets Elite Golf managed facilities apart from the competition.

Ball Golf Discounts available for LVC participants and their guests available at most facilities! Please see staff in Pro Shop at Wild Horse.

Local Rules

General - Contact tournament central at **702-249-0387** for any problems or questions. When in doubt, use the provisional rule (809.02).

Cart Paths - The cart path is defined as the point where the roots of the grass and the concrete edge of the cart path (including raised edging) meet, unless marked by rope. All other improvements (see examples below) adjacent to the cart path are not part of the cart path. The out-of-bounds line is a vertical up-and-down plane. The out-of-bounds line is part of the out-of-bounds area. **Therefore, a disc landing on dirt or grass growing over a cart path edge is out-of-bounds when 100% of the disc is on the O.B.-side of the vertical plane!**

Concrete curbing/edging is part of the cart path.

Concrete drainage areas are not part of the cart path.

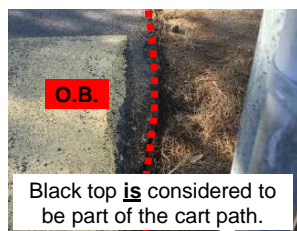

Concrete areas adjacent to cart paths are not part of cart path.

Wooden fencing is not part of the cart path.

Cobble stones are not part of the cart path.

Black top is considered to be part of the cart path.

Casual Water – Unless marked as O.B., play casual water as a Casual Area (806.03). Lie may be relocated to the nearest lie which is farther from the target and is on the line of play, at the nearest point that provides relief, without penalty.

Course Availability - Courses are closed after Wednesday. Players caught playing a closed course are in violation of Player Misconduct and subject to immediate disqualification at the discretion of the Tournament Director.

Discs Retrieval (from Back Yards & Water Areas) - Entering into private yards or wading into water to retrieve a disc will be seen as Player Misconduct and subject to immediate disqualification at the discretion of the Tournament Director and potential criminal/trespassing charges by the City of Henderson Police Department.

Dress Code (applies to All Players) - All players must wear shoes and a well-tailored shirt with a collar and sleeves covering upper chest area and upper arm. Crew neck/v-neck shirts made of high-performance or high-tech materials are permitted. Women may wear sleeveless shirts with collars or a well-tailored one-piece tennis dress. (Also see Competition Manual, 3.04(D).)

Local Rules – Continued

Island Holes - Disc must come to rest on marked islands (Course Innova, Hole 6 and Course DiscGolfValues.com, Hole 6). If island missed, as approved by the PDGA, take one-stroke penalty and next shot from the designated drop zone. For every additional shot which does not land on island, take one-stroke penalty and continue drop zone use until disc comes to rest on island.

Sand Traps – Sand traps are hazards (8.06.05). Take one-stroke penalty and play it where it lies (lie is not relocated). No relief provided from sand traps. The sand trap is defined as the point where the roots of the grass and the sand meet (unless marked by rope, then rope). The hazard line is a vertical up-and-down plane. The hazard line is part of the hazard area.

Therefore, a disc landing on grass growing over a sand trap is in the hazard when 100% of the disc is on the hazard-side of the vertical plane!

Selling of Merchandise - Permission is **not** granted to sell merchandise on Wild Horse property without consent of the Tournament Director. Such activities will be seen as Player Misconduct and subject to immediate disqualification at the discretion of the Tournament Director.

Smoking Areas – There are designated smoking areas for the facility (parking lot and outside balconies) and on each course (within 30 feet of a restroom). Pace of play rules still apply. Any open and visual possession of any product banned under the smoking policy will be treated as a courtesy violation, and violators will be asked to put away the product until after the round has concluded. Subsequent violations will be handled per 812.C.

Teeing Areas – The teeing area is defined by the area bounded by the edges of the provided tee pad. When in use, Teeing Areas are in-bounds.

Two Meter Rule – **Not** in effect for all courses, all holes.

Water Areas - Water areas are defined as the point where the water and the roots of the grass meet (unless marked by rope). The out-of-bounds line is a vertical up-and-down plane. The out-of-bounds line is part of the out-of-bounds area.

Therefore, a disc landing on grass growing over water is out-of-bounds when 100% of the disc is on the O.B.-side of the vertical plane!

Zero Tolerance - Any illegal or inappropriate activities will be dealt with immediately. A player will be disqualified if in violation of any laws or regulations, even if activity occurs before or after a player's round.

Media & Spectator Rules

A significant investment has been made by Innova Champion Discs and the PDGA to host the LVC at Wild Horse Golf Club in Henderson, Nevada (facility). This includes the media rights. All commercial media for print, radio, television, internet, and/or video publication must be approved by Innova. Approved media will be supplied credentials to be worn at all times while at the facility. Spectators with personal cameras, cell phones, or other portable devices are not considered media and are not granted media access.

Wild Horse has been reserved for a private function. Public access is not guaranteed. All spectators shall behave appropriately. Unless otherwise provided, spectators may not play on any LVC courses.

All spectators and approved media shall abide by the following:

- Stay off the greens.
- Do not approach competitors within 30 minutes of their tee time nor at any point during their round. This applies to Starter's Tent area, transition between holes, and while waiting to tee or play.
- Remain at least 10 meters (33 feet) from competitors and all DISCatcher targets during play.
- Make every effort to maintain positions on the course that do not interfere with competitors or tournament play. Competitors and/or LVC staff may request you to reposition at their discretion.
- Remain completely still when in close proximity to any competitor who is in the process of lining up or executing a throw.
- Avoid being in direct sightline of players. This may sometimes be unavoidable, particularly around the putting area. Competitors and/or LVC staff may ask you to move.
- Make every effort not to block a shot already set by a member of the media. Approved Media: Both still and video media share priority and are expected to demonstrate professional courtesy.
- Position yourself so that camera shutters cannot be heard by competitors during the throwing motion, or begin shooting once the disc has left the competitor's hand.
- Cell phones must remain silent at all times while on the facility.
- Violations of any of these rules are grounds for immediate removal from the facility.

Sponsorship History

2018 - \$300

Prior LVC Participation

Since 2000, and including the 2018 event, the LVC will have serviced 4,817 competitors. With less than 2,000 individuals ever playing in the LVC, the average participant has played the event twice. Three competitors (Jim Choner, John Cuthbert, and Jeff Kennedy) have played in all 18 LVC events. 51% of the players have been professionals while the remaining 49% have been amateurs. Four divisions (MPO, MPM, MA1, & MA2) make up two-thirds (65%) of all participants.

Rebecca Hall-Duffy Sponsorship History

2018 - \$1,000

Disc golf is a walk in the park, a hike around a mountain, a stroll by the lake or a trek in the desert. All with a goal in mind. It's a game played regularly by an estimated two million people around the world. It can be a recreation, an avocation, an occupation or a special destination.

Disc golf is an opportunity to learn, lead, teach, volunteer, organize, create, build or support a special cause. Disc golf is a good reason for all of us to get out and play.

Yes, disc golf is all of that and whatever else you make of it. Throw a few rounds and find out what disc golf makes of you.

Total Purse includes the net of players' entries plus added cash. For the LVC, the 2017 \$200 entry included a \$45 greens fee and a \$5 tier fee. After deducting these fees, MPO & FPO net entries were \$150 whereas other events could have been twice as much more. The LVC greens fee cost reduced the MPO Purse by over \$6,800 and the FPO Purse by \$1,600. Although \$14,000 was added to the total purse (\$10,000 to MPO payouts and \$4,000 to FPO payouts), as shown above, LVC's 1st Place MPO & FPO Prizes are lower than other comparable events due to our lower entry fees and higher greens fees.

Elite Golf MANAGEMENT

Wild Horse Sponsorship History
2018 - \$5,000 towards tee pad improvements

The Game Has Changed

The days of excess are over. Many golfers cannot currently afford to pay high green fees and business models that worked in years past no longer work in today's environment. Many courses have seen their profits shrink, or worse, are losing money.

The Pathway to Profitability

Maximizing Resources

Elite Golf Management helps you run more efficiently by eliminating unnecessary expenses while making the most of your resources. We have a proven track record of turning struggling facilities into profitable business ventures in a short period of time.

Individualized Approach

No two facilities are the same. Consequently, a cookie-cutter approach to managing facilities leads to inefficiencies that diminish profits. That's why Elite Golf Management takes a unique management approach to each facility. We evaluate operational factors such as location, market, climate, facilities, turf conditions, and more to develop a customized plan to optimize your profitability.

Attention to Detail

We focus meticulously on the finer points of the golfer's experience at our facilities. From merchandising and events to turf conditions and the speed of greens, nothing is overlooked. Our attention to detail sets Elite Golf managed facilities apart from the competition.

Ball Golf Discounts available for LVC participants and their guests available at most facilities! Please see staff in Pro Shop at Wild Horse.

For LVC merchandise, go to www.lvcdg.com/shop

Why an LLC to run the LVC?

In late 2016, the Tournament Director of the Gentlemen's Club Challenge, Jeff Jacquart (PDGA #10749), created an LLC to run the event. A key reason for the change was to remove the Las Vegas Disc Golf Club (LVDGC) from any financial obligations tied to the event, especially with the TD no longer being on the LVDGC Board. (Jeff "retired" from being a Board member so 100% of his *disc golf time* could focus on the GCC/LVC.) Prior events necessitated the Club to "front" money for the professional purse payouts since not all fund-raising merchandise was sold prior at the close of the event.

It costs money to run an LLC – costs typically waived for formally recognized non-profit clubs. LLC annual fees include \$200 for CPA fees, \$350 State Licensing fees, \$250 City Licensing fees, \$2,500 in Sales Taxes, and \$1,250 in Use Taxes. As required, all income and costs are reported to the IRS.
