Dear Simran and Malika,

Saraswati Vidyatan is extremely grateful and would like to thank the HelpHygiene Foundation for providing packets to our students consisting of toiletries including toothpaste, toothbrushes, shampoo, body and hand soap, towels, and slippers to our nursery as well as students in Grade 1-3.

We are very thankful for the kindness that we have received from this NGO and the help that will be used to help the sanitation of these children who live in impoverished communities.

We at Saraswati Vidyatan look forward to working together with this organization in the future to help children living in impoverished conditions and would like to become active partners with the HelpHygiene Foundation.

Yours truly

(Mrs. Ohee Bhumi)
