- **What kind of program is planned?** During your HOBY Leadership Seminar, many dynamic leaders—all volunteers from the fields of business, education, government, and other professions—will address aspects of our changing world and the challenges future leaders will confront. The program will not promote any specific political party, religion, or way of thinking; but is designed to develop critical thinking skills by actively involving participants in discussions and informal debate. During the seminar, you will be asked to undertake a community service project(s) involving at least 100 hours during the year following your seminar, to make a difference in your school, community, place of worship, or other environment where you see a need. The program also includes outstanding speakers, leadership activities, social events, and a special closing ceremony to which your parents are invited.
- **What are the accommodations like?** Participants will be assigned to dorm rooms with four participants per room on floors reserved exclusively for the seminar. Please review the Suggested Packing List to see what items you will need to bring for the weekend. Everyone will receive nutritious breakfasts, lunches, and dinners. On the Medical History Records Form, please indicate any special dietary considerations, including vegetarianism, and we will do our best to accommodate you.

Make sure to read and comply with the Policy for Use of Medication During a HOBY Event.
- **If necessary, how may I be contacted during the seminar?** Parents, friends, and family members are discouraged from calling students during the seminar due to the disruption caused to panels and activities. All costs for meals, lodging and training materials have been generously provided by sponsors throughout our state, including businesses, foundations, individuals, and service organizations wishing to support leadership education.

- **What about religious services?** HOBY programs do not emphasize one religion over another. Students are not allowed to leave campus to attend services on Sunday.
