9th Planet videos use recurring characters and a science fiction theme to engage social skills learners. The short videos tell the story of Tad Shy, a fictional character from another planet who is learning to take care of himself, find a job, and develop relationships on a planet populated by socially-minded "neurotypicals."

Job Searching on the Spectrum

Transition Planning: The Basics
From Mandate to Practices that Lead to Successful Outcomes

This document is developed to assist transition teams to develop effective transition language in the IEP that is compliant with current legal mandates. It recognizes that transition is a process- not a document - so it lists the Federal and State mandates for secondary transition on one page with corresponding research-based best practices on the opposite page.
