

# THE HAGUE CHRONICLE

VOLUME 19 NO. 7

HAGUE, NY 12836

JULY 1990

## LGPC WASTEWATER REGULATIONS HEARINGS

The Lake George Park Commission will conduct a public hearing on revised proposed Wastewater Regulations (6NLYCRR 646-3) on July 26, 1990 at 7:00PM at the Hague Community Center. The purpose of the hearing will be to hear and record oral statements of comments on the proposed rules. Written Comments are given equal weight to oral statements and may be submitted any time prior to August 1 to the Lake George Park Commission Office, P.O. Box 749, Fort George Road, Lake George, New York 12845. Copies of the full text will soon be available for review at town offices and public libraries around the lake. A copy will be provided to any Park resident requesting one - limit one per person.

The hearing is open to the public and all interested parties are invited to attend.

A hearing will also be held July 25 at 7PM at the Bolton Central School, for those who cannot attend the one in Hague. For more information, please contact Michael P. White 668-9347.

## LGA 105TH ANNUAL MEETING - JULY 20

The LGA's 105th Annual Meeting will be held Friday, July 20 at the Fort William Henry Motor Inn, Lake George Village. Beginning at 5:30PM, the event will open with a social hour and dinner. The meeting will begin at approximately 7:45PM. Deadline for dinner reservations is July 16. Focus of the keynote address to be given by Lee Lyman, president of Lycott Environmental Inc., a Massachusetts-based lake management firm. An experienced aquatic plant manager, Lyman has effectively managed milfoil in a number of New England lakes and ponds. At the LGA's request, his firm has evaluated techniques for milfoil in Lake George. In addition, Lycott recently completed a research study to assess the safety of Sonar when applied in northern lakes.

## HAGUE EMERGENCY SQUAD

During the month of June the Emergency Squad answered 19 calls, taking care of 25 patients, logging 749 miles and 132 man hours. A VERY BUSY MONTH!

## MILFOIL ALERT

**PLEASE...** Look for pieces of this noxious lake weed on your boat . . on your propeller . . floating in the lake . . along the shore. When found, remove ALL pieces and deposit in an on-shore trash container. EURASIAN WATERMILFOIL is spread by fragments of the plant that break off and root at a new site. MILFOIL crowds out the beneficial aquatic plants which support the Lake George fishery and help to keep the water clear and clean!

Included in the MILFOIL sites are: Hague Boat Launch, Rogers Rock, L.G. Outlet, Mossy Point, Tiroga/Black Point, Gull Bay, Silver Bay, St. Agnes Island and Tongue Mt., plus 53 other sites.

## JULY 15 - 21 FIRE DEPT. APPRECIATION WEEK

In an official proclamation by the Town Board of Hague, the week of July 15 - 21 has been designated FIRE DEPARTMENT APPRECIATION WEEK in the Town of Hague. This is a good time to show your appreciation for the many hours these volunteers have put in by sending your contribution now for the support of the department and its new fire truck and new ambulance.

## FIRE DEPARTMENT RUMMAGE AND BAKE SALE

The Hague Volunteer Fire Department will hold a rummage and food sale at the home of Ida May on New Hague Road beginning Wednesday, August 8 until (and including) Sunday, August 12. Hours are from 9AM - 3PM. Items may be left there on August 6 and 7, or call 543-60029 for pickup.

**JOHN J. KENNEDY  
1913 - 1990**

John (Jack) Kennedy, a resident of Hague for the past 12 years, died in Moses-Ludington Hospital on July 12, 1990. He is survived by his wife, Dolly, daughters Joyce Holub and Pamela Peterson, two sisters, one brother and five grandchildren. Jack was an ardent supporter of The Hague Chronicle and served as its treasurer for a number of years until his illness forced him to resign. His dedication to this newspaper was unsurpassed. The staff and his many friends will miss him greatly.

A memorial Mass of Christian burial will be celebrated at 10AM on August 7 at the Church of the Blessed Sacrament in Hague.

NLGYC CELEBRATES 50TH ANNIVERSARY

Members of the Northern Lake George Yacht Club at Friends Point are celebrating the 50th anniversary of the founding of the club. The founders of the present Northern Lake George Yacht Club were from Rogers Rock, Glenburnie and Hague. The club was founded in the summer of 1940 and incorporated in the spring of 1941. Incorporators were Honorable Frederick W. Brune, Sloan Wilson, Clinton Hernandez, Harold Davison, Richard Manning, Joseph Cronin, Monseignor Robert F. Keegan, Ralph C. Craig, Dr. James A. Corscaden and Charles W. Henderson, Jr.

Mrs. Herbert Wilen, NLGYC entertainment chairman has planned activities throughout the summer to celebrate the anniversary. Highlight of the summer was a moonlight dinner dance cruise aboard The Horicon on Lake George.

Mrs. Ray Brink, after extensive research, has compiled a written summary of the history of the club...LD

**NOTICE** You mean there is no one out there among our many readers who would like to have a go at writing the weather notes?? I can't believe it!! O.K., then why not create a new column? One that gives our readers a different slant into the seasonal happenings here in the north basin of Lake George. You won't be hurting Willy C's feelings. Willy thinks it's getting pretty stale anyway, and who knows with all your skills, expertise and imagination you might be discovered and on your way to fame and fortune. Sounds terrific. Why not go for it.

Contact our editor/publisher, Dottie Henry and see your creation in print once a month. **WOW!!**

FLOWER SHOW TO BE HELD IN HAGUE

The Carillon Garden Club will hold its standard flower show on Saturday, July 21 in the Hague Center. Judging will take place in the morning and doors will be open to the public from 1 - 4PM

The theme of this year's show is "Yesterday-Today-Tomorrow" and will include ten classes in the Design Division and eight horticulture sections. There will also be special educational exhibits and youth group exhibits. One of the members will be demonstrating techniques of wreath making, using new metal ring forms.

The large meeting room at the new Town Center lends itself perfectly to an exhibit of this kind. The public is welcome and urged to attend and to encourage the ladies of the Garden Club in their efforts.

PROPERTY OWNERS OF SILVER BAY

President Paula Hartz has announced that the Property Owners of Silver Bay will meet in the Hague Community Center on Wednesday, July 18, 1990. Refreshments will be served at 7PM and the business meeting will commence at 7:30PM.

Dick Bolton will give an update on the school tax issue and John Breitenbach, Jr., Hague's Solid Waste Director, will outline the new recycling program.

Speaker for the evening will be J. Thomas Wardell, Senior Sanitary Engineer for the LGPC. Mr. Wardell will explain the Commission's latest draft of the new wastewater regulations for Lake George, as well as other LGPC programs that affect us. A lively discussion is expected.

The August meeting will be held on Wednesday, August 22. Speaker for the evening will be Mary-Arthur Beebe, Executive Director of the Lake George Association. Membership dues of \$5.00 are payable now by check to Property Owners of Silver Bay, Box 2515, or at the meeting.

Which "bone" to pick  
Someone once said that members of an organization can be likened to bones. There are:

**Wishbones**, who spend all their time wishing someone would do the work.

**Lawbones**, who do a lot of talking, but very little of anything else.

**Knucklebones**, who always harp on what is needed to make the work easier.

And **Backbones**, who take on the work and get it done.

If everyone got off their tailbones and worked at being good backbones, you'd be amazed at how much could be accomplished.

ZONING BOARD OF APPEALS - JUNE 28, 1990

After a lengthy public hearing for the David Darrin boathouse (34.3.3) during which 3 letters against, 2 letters for were read and 2 oral statements voicing no objection were made, the regular meeting of the ZBA June 28 got under way at 8PM.

The area variance, after three motions (the first two were withdrawn) was approved with a long list of conditions as suggested by the Planning Board, with a 5 Yes and 2 No votes. The project will now go to the Lake George Park Commission and APA for their approval.

On August 2, 1990 the Bagdon Environmental Association will make a presentation at 7PM before the Planning Board meeting. Anyone interested is urged to attend. . GL

PLANNING BOARD - JULY 5, 1990

At 7PM a public hearing was held on the Site Plan Review of the David Darrin's proposal to reconstruct an existing boathouse and increase a portion of the height of said boathouse to allow a roof height of 26.5 feet instead of the permitted height of 16 ft. (Please refer to the article on June ZBA meeting concerning the approval of an area variance for this proposal.) Mrs. Dorothy Henry read letters in opposition to the granting of a height variance from Ginger Henry Kunzel and Ed Henry, owners of the property located immediately to the north of the proposed boathouse. The letters basically stated that, in the writers' opinion, the applicant had not shown "practical difficulties" to receive approval for an area variance. Mrs. Henry read her statement in opposition to the granting of a height variance and stated that she had no objection to the applicant's alternative storage space. Nearby neighbors Viscardi and Renzi wrote letters stating that they had no objection to the proposed boathouse. The public hearing was closed immediately after Chairman Landree read the ZBA's motion to approve the area variance with conditions.

The regular meeting opened at 7:32 PM. The Darrin project was approved with the condition that the applicant places the three restrictive covenants in his deed that the ZBA required in approving the area variance.

A public hearing was scheduled for August 23 at 7PM for the minor subdivision of property shown on the Town of Hague Tax Map as Section 19 Block 01, Lot 39.2 This 1.09 acre parcel was subdivided from Lot 39 in 1982 without Planning Board Approval and was sold. Lot #39.2 does not meet the minimum 1.1 acre lot size for the zoning district in which it is located. Lot #39 has sufficient acreage to allow a subdivision.

**NOTE:** Most banks require copies of Adirondack Park Agency and Hague permit(s) or non-jurisdiction letter (s) to confirm that the property for which a mortgage is requested was lawfully created prior to mortgage approval.

The request for Board review of the proposal to reestablish the Locust Inn as a commercial establishment was tabled since none of the parties involved had submitted the requested information needed for any decision. . AC

SPECIAL HAGUE TOWN BOARD - JUNE 21, 1990

On June 21, 1990 a special informational meeting was held by Hague Town Board to explain to the residents the recycling effort and how they might do their part to implement the program.

John Breitenbach, Jr. (Recycling Coordinator) and Richard Fraser (Recycling Committee Chairman) spoke about the town's efforts in this direction and told the audience a new solid waste committee has been formed. Construction of a recycling building will begin shortly. A question and answer period followed.

Also, passed unanimously, was Resolution #790 to submit a referendum of local law allowing for a single assessor. A public hearing will be held at the July 10 meeting of the town board. . GL

TOWN BOARD MEETING - JULY 10, 1990

A public hearing was held at the July 10 meeting of the town board to receive input from residents about a change to a single assessor. A mandatory referendum is required during a general election to make this change. At the regular meeting, directly after the public hearing a resolution to enact Local Law #2.1990 (change to a single assessor) was passed unanimously. A single assessor would serve full time at full salary and for a 6-year term. Board can make changes in term if necessary since this assessor would be appointed, not elected.

In other business: A letter from Clough-Harbour and Assoc. informs the community that on August 7 at 7PM, as planners of the Warren county Sewer Interceptor Line they will be in Hague to present an over view of the project. Some of you may be aware that this coordinated effort by Warren County to protect Lake George waters also includes a wastewater treatment plant here in Hague which will benefit our residents.

(Cont. on page 4)

TOWN BOARD (Cont. from page 3)

An additional program of interest: On July 30 at 8PM at the Silver Bay Assoc. a program "Environment in the 21st Century" will be presented with Supervisor Bolton moderating. This should be an extremely interesting evening.

A letter from law firm representing the Lake George Park Commission was read giving notice of adoption of amendments to 6NYCRR #646-2 extending the moratorium on new and expanded recreational uses for one year to June 3, 1991.

An application has been filed for a 3 million dollar grant on sewer planning.

Some money will be saved on landfill closing costs since DEC has approved the fill that is being removed from Rt. B and deposited in our landfill. It has no contaminants.

A highway conference date - Sept. 30 - Oct. 3 has been approved for Don Belden, Highway Superintendent.

Request from Planning Board to ask for cooperation from Warren County for registering deeds only when accompanied by signed mylars.

Resolutions #9-12 were passed unanimously. #9 involves transfer of moneys from one category to another. #12 signifies July 15-21 as Fire Department Volunteer week. Please help with donations. These men and women are dedicated and give a great deal of their free time.

At a county level we hear that the construction of the trash plant in Hudson Falls has started again. At the county budget meeting large items will be draining resources. Seems everything comes at once! .GL

C-A-R-E

Once again I would like to remind those of you who may find themselves in a time of need, that in the Hague Community Center we have a Food Pantry for such emergencies and a Clothing Exchange.

Should you or your husband lose your job, run out of food stamps, or your money is in short supply, we have assorted foods that can help you get through the crisis.

It is open on Wednesdays and Fridays from 10AM-12Noon. I can be reached at 543-6095 at other times and if you cannot reach me, Bertha and Diane, town secretaries (543-6161) will be glad to relay the message to me. The Community Center is open between 8AM and 5PM Monday through Friday.

Our clothing exchange has quite a selection of items for anyone interested in looking. There is no charge. Hours are the same as above. .G. Lindquist

**MICHELLE WATERS**, daughter of Mr. & Mrs. Francis Waters, Hague, recently spent 11 days at Camp Smith, a Civil Air Patrol Search and Rescue Encampment. Graduation exercises were held at Westpoint Military Academy on the Fourth of July. She is now certified as a Ground Team Member. Congratulations Michelle!

18th ANNUAL HAGUE ARTS FAIR

The annual Hague-on-Lake George ARTS and CRAFTS Fair will again bring artisans to the Northern Lake George Hamlet of Hague on August 4th and 5th. Held on the beautiful lawn of the Town Park, the event will be open from 10AM to 4PM on both days.

The Arts and Crafts lover will find a wide variety of handcrafted items, including paintings, folk art, country crafts, woodcrafts, knitted and crocheted items, ceramics and many other items too numerous to mention.

Live entertainment will be provided free of charge on Sunday, August 5 from 1 to 4PM by Jeremiah Cactus, a country rock band from Vermont.

The Hague Fish and Game Club will also be on hand both days selling hot food items from their food shanty. They will also have their annual lobster and steak bake at their clubhouse on West Hague Road on Saturday from 5 - 9PM. For more information call the Hague Chamber of Commerce at 543-6353, or The Hague Community Center, 543-6161.

### SUMMER ENTERTAINMENT PROGRAM IN PROGRESS

A reminder that the Chamber of Commerce is co-sponsoring a weekly story hour for children on Wednesday nights at the Town Park from 6:30 - 7:30PM through August 8. In case of rain we will meet on the Community Center porch. Volunteers to read are still needed.

Also - try to come to the square dances at the Community Center on the following Thursdays at 7:30PM: July 19, August 2, August 9, August 16. Stan Burdick, Silver Bay Association veteran caller will be our host. It should be great fun.

On Wednesday, July 18 the Silver Bay Association String Quartet under the direction of Marty Meade will play at the Town Park at 7:30PM. Bring a lawn chair and enjoy some lovely music in an outdoor setting.

Then on Sunday, August 15 from 1-4PM, come and enjoy the country rock music of "Jeremiah Cactus", a group from Burlington, VT, as you browse through the exhibits of the Hague Arts Fair. This program is sponsored in part by the Hague Chamber and Town of Hague with public funds from the NYS Council on the Arts and Warren County, NY. . . KS

### FISH AND GAME CLUB LOBSTER/STEAK BAKE

On Saturday, August 4, from 5 - 9PM, the Hague Fish and Game Club is sponsoring its annual Steak and Lobster Bake at the clubhouse on West Hague Road.

Tickets will be \$20 for adults, which includes steak, lobster, 1 dozen steamed clams, baked potato, corn-on-the-cob, tossed salad and rolls. Children's (age 10 and under) tickets will be \$6.00, which includes steak, baked potato, corn-on-the-cob, tossed salad and rolls.

Musical entertainment will be tastefully provided by "Sound Trace" (Dave Carr). Also available will be steamed clams and chowder, beverages, raffles and door prizes.

Advance ticket purchase is recommended and tickets will be on sale at Hague Market and Silver Bay Store. Hope you all will come and enjoy. . . KS

### HANCOCK HOUSE GALLERY EXHIBITS

Oil paintings by Galen Bigelow, artist from Westport, NY will be on display at the Hancock House Gallery from July 11 - July 21. The gallery is open every day except Sunday from 10AM - 4PM. The public is invited.

On Saturday and Sunday, August 4 and 5 the Ticonderoga Historical Society will sponsor an art show featuring the works of Bruce and Annette Mitchell. Bruce paints with oils and Annette is a water color artist. The Hancock House will be open both days from 10AM - 4PM.

### SEND A GET WELL CARD

Supervisor Dick Bolton recently sent a letter to the Hague Chamber of Commerce asking that our organization follow up on a get well card sending campaign that originated from a seven-year old boy in Surrey, England, who is dying of a brain tumor and would like to have entry in the Guinness Book of World Records as the person who received the most get-well cards.

The campaign has been structured in chain-letter form, which may eventually fizzle out, so instead of risking a drop of the ball, we thought we would modify the campaign slightly and pass it on to the readers of The Hague Chronicle in addition to sending it on to other organizations.

We suggest sending the boy's name and address with a cover letter to other organizations you each may know, so new life will be added to the campaign. A postcard of your area would also add something special to the card. His address: Craig Shergold,  
36 Selby Road  
Carshalton  
Surrey, England

A copy of the individuals and organizations who have already been contacted can be checked at the Silver Bay Store.

The cost of sending a card to England is 45¢ per 1/2 oz., so 25¢ won't suffice. A postcard may be mailed for 36¢. . . KS

### "PRECYCLING"

Each day each American throws out about 3.5 pounds of trash. That adds up to 160 million tons a year, and the shame of it all is much of that waste is recyclable.

We Americans are increasingly aware of the importance of recycling, but we are overlooking an even more important step - precycling.

Precycling means reconsidering what we buy and reducing unnecessary waste. It is the highest priority of the state's Solid Waste Management Act of 1988 - even higher than recycling. It's also just common sense - if you don't use it in the first place, you don't have to recycle it.

For example, almost all of us use a new set of grocery bags each time we go to the supermarket. Then after we go home and unpack the groceries, we throw out the bags, instead of reusing them. Having the forethought to start using the same bags several times, instead of only once is precycling at work.

ANNUAL AMISH QUILT SHOW AND BAKE SALE

The new Hague Town Center on Route 8 will be the location of the Amish Quilt and Bake Sale this July 17. The sale will be on Tuesday, July 17 from 10AM - 6PM. There is no admission charge to attend.

An extended Amish family from Lancaster County, PA will be present to show the quilts they have made. This annual summer event gives the local public and tourists an opportunity to see or buy the beautiful artistic handiwork of the Amish community. Patterns and quilts of all sizes will be available along with pillows, aprons, wall hangings, placemats, and other Amish cottage crafts.

Along with the quilts, the Amish bring a vast quantity of Amish baked goods featuring such favorites as Shoo Fly Pie, Whoopie Pies, breads of various kinds and a variety of delicious cookies. (Check out their sticky buns!)

Please mark your calendar and plan to attend this Amish treat on July 17 at the Town Center in Hague, NY on beautiful Lake George.

HAGUE SENIOR CITIZENS CLUB

The annual Senior Citizens Club picnic will be held at the Hague Fish and Game Club building on the West Hague Road at 12 o'clock Noon on Tuesday, July 24. This year we are asking those who plan to attend to register BEFORE July 20 by calling the lovely ladies at the Town Offices; the number is 543-6161. You will be contacted about providing a share of the food for the picnic. This is a lovely spot for our outing and we hope that all Seniors who can possibly come will do so. All Seniors, (and anyone over the age of 50 qualifies) are welcome.

Registration for the Quechee, VT Highland Games Festival on Saturday, August 25 is now taking place. This is a bus trip, and the bus will leave the Hague Community Center at 8AM that day. The price of admission to the Games is \$5.00. All eligible Seniors, seasonal or year-round, resident of Hague, can register for this trip. The bus can accommodate 48 people. Those who register after #48 will be placed on a stand-by list and will be called (in order of sign-up) in case of cancellations.

Register early by phoning 543-6161. In case of rain, arrangements have been made to go to The Bennington (VT) Museum. Admission to this museum is \$3.50.

BOATING ACCIDENT IN HAGUE

On June 16 during the Firemen's Steak Roast, the ambulance squad was summoned to Pine Cove to transport Donald Marcy of Delmar to the Moses Ludington Hospital. Mr. Marcy was the driver and owner of a boat which sank off Burnt Point about 7:30PM. The boat's passenger, Joseph Rizzo, 34, died instantly in the accident. State police located the boat on Tuesday and found Rizzo's body in about 60 feet of water about 350 yards from where the accident took place.

According to a police official, it appeared there was some kind of mechanical problem with the shaft and propeller. Those parts might have hit the speedboat's rudder and thrown it out of control; the boat probably flipped over and broke apart. It was estimated that the boat was travelling about 40 MPH when the accident occurred on the hazy evening.

TICONDEROGA HERITAGE MUSEUM

The Ticonderoga Heritage Museum opened for the season on Saturday, June 30. A brand new exhibit, "Paper and Pencil" features educational and entertaining information and displays on the history, manufacture and use of paper and pencils and Ticonderoga's role in making both.

Visitors can see numerous practical uses of paper and pencils and a special feature includes a display of the winning entries from the Pencil contest held last winter.

Dr. Robert A. Matthai has provided program development assistance since 1986 and has written the script and is serving as Guest Curator for the "Paper and Pencil" exhibit.

The museum is open daily between the hours of 10AM and 4PM. For more information about demonstrations and workshops, call 585-2696.

Ed: I have viewed this exhibit and was very impressed with the entire layout and materials used. It is worth your while to see this. The trustees and committees responsible are to be commended for bringing this excellent exhibit to Ticonderoga. . . DJH

SAME BUT DIFFERENT!

You certainly must have noticed the difference by the time you have gotten to this page in your reading and I do hope the printing will turn out better than last month's disaster. (Of course I can't tell until I actually run it off on the copier and then it is too late!)

The staff has gotten together and decided that as long as we keep writing about recycling, we should "get with it." Hence we are giving up our canary paper - it is not recyclable - and are going to use white paper from now on. This month we are trying recycled paper. You can be the judge as to whether we are doing the right thing or not!

So many times we have heard comments about our yellow paper and its being so easy to spot in the mounds of junk mail one receives. We hope that you will keep your eyes open around the 15th of the month for our new white Hague Chronicle and not file it in the circular file before you read it. You can always spot it by the slogan on the bottom - ALL THE NEWS THAT FITS WE PRINT. We appreciate any comments from our readers, critical or otherwise (especially otherwise!)

Please send us your news or let us know what you would like to know... D. Henry

TICONDEROGA FESTIVAL GUILD

Americans here. Americans there.  
In this country at least, they're most everywhere.  
Stand up and be counted - name, sex, and age  
Cause taking the census is now all the rage.

Fill out the forms. Answer the queries  
All of you pixies, all of you fairies.  
Answer the questions each every one.  
Nobody said that this had to be fun.

What is your income? Where do you live?  
Belong to a church? How much do you give?  
Own your own home? Or do you just rent?  
On your last vacation, where was it you went?

How many children? Married or not?  
How many cars has your family got?

Do you watch TV? If so, for how long?  
Perhaps to a country club you belong?

Religion and race? Do you smoke? And how much?  
Is your car automatic or has it a clutch?  
And while we're about it we'd like to ask you  
Is 13 plus 8 two one or two two?

Stop it! We've had it! Enough is enough!  
We don't even know why you ask all this stuff.  
We know you want info. We know you want facts.  
We suspect it's so you know just who you can tax.

King John did it first, you might know, by the way  
Compiling the book that we know as Dooms Day.  
How do we feel as you try to sense us?  
The consensus: We're defenseless. Oh relentless census.
