

American Success Educators Corporation Presents:

The Great People Skills Seminar

Celebrating Our 25th Year!

AGENDA

Increasing Interpersonal Success Through Self-Awareness

- Understand how strong interpersonal skills dramatically magnify personal power
- Assess interpersonal skills: How successfully do you interact with others?
- Explore interpersonal behavior: When do you feel powerful? Powerless? Unsure? Anxious?
- Analyze communication styles and recognize your own
- Learn to interact effectively with communication styles different from your own
- Pinpoint interpersonal habits and tendencies that may be holding you back

Rapport Building: Establishing Solid Working Relationships

- Avoid the top mistakes that sour relationships
- Use your personality type to your advantage when you build rapport
- Learn proven techniques for connecting with people you don't know
- Create an environment where everyone feels safe in openly expressing themselves
- Recognize the unlimited power of sincere praise
- Know the secret to making others feel valued
- Forge strong alliances with other departments by using these 10 bridge builders

How to Persuade and Influence Others to Your Way of Thinking

- Create a win-win approach — your key to dealing successfully with others
- Learn a step-by-step method to persuade others with a quick, concise message
- Understand the difference between aggressive and assertive behavior and why strong-arm tactics backfire every time
- Gain buy-in for your ideas and plans
- Win over an adversary to your way of thinking
