"The Man with a new idea is a crank until the idea succeeds". Mark Twain said that, no doubt with a twinkle in his eye. Do you have a new idea about something? Go ahead and share it, or put it into motion. Do not be afraid of doubts or disapproval of others. Those things will be there, of course. But what of it? Ideas are God, saying Hello. Never pass one by, or let a good one slip away. How do you know it's good? You don't until you try it. That's the whole point.....

Featuring

Phil Shiva Jones

Visiting Australian interfaith minister and recording artist Phil Jones will present an interactive workshop teaching meditation and simple breathing techniques with the **Australian didgeridoo**. The didgeridoo is an ancient mesmerizing drone instrument made from a eucalyptus tree and traditionally played in ceremony and healing by the Aboriginal clans of Australia. Playing the didgeridoo creates soothing and resonant harmonics that easily erase the 'monkey chatter' in the mind – enhancing mental clarity and emotional equanimity. The primordial vibration of the didgeridoo and the simple breathing techniques help create a state of relaxation, lower blood pressure, relax the heart, improve digestion, and - as reported by the **British Medical Journal** - significantly reduce sleep apnea and snoring. Phil has been performing Sanskrit chants for over 40 years and will begin the evening with meditative chanting - setting up a wonderful vibrational atmosphere. Phil studied seven years with an enlightened Hindu teacher (1968-1975) and parallels the didgeridoo, **a non-denominational meditation accelerator**, with Eastern Philosophy, New Thought, and Aboriginal Traditions. He was the lead singer and songwriter of the renowned English band Quintessence (Island Records/RCA), where he pioneered the merging of sacred Sanskrit mantras into a modern musical format during the late 1960's and 1970's (performing three concerts at the Royal Albert Hall and two at the Queen Elizabeth Hall in London).

PRIVATE HEALING & DIDGERIDOO

Phil is also available on Sunday, September 8th for private healing sessions. He will have his CD's and didgeridoos available for purchase. You can contact Phil at the concert to make your appointment.

Phil's website is www.philjonesmusic.com

HEALING PRAYER

The Spiritualist Healing prayer is utilized in our church services during the healing portion of our service. We encourage you to use it at home for yourself and your family.

I ask the great unseen healing force to remove all obstructions from my mind and body and to restore me to perfect health, I ask this in all sincerity and honesty, and I will do my part.

I ask this great unseen healing force to help both present and absent ones who are in need of help and to restore them to perfect health. I put my trust in the love and power of God.
