**PRESIDENT'S MESSAGE  
SEPTEMBER 2017**

September already! Our HBPOA meeting in September is our annual "Ice Cream Social" and members photo contest. We have a brief business meeting then adjourn to socialize, enjoy a dish of ice cream and vote on our favorite photo. All Hernando Beach Property Owners are welcome to come to the Ice Cream Social to find out what is going on at HBPOA and Hernando Beach. Non-members at the meeting cannot vote on business matters or discuss business before the membership but you are welcome to listen and learn. We always welcome new members to HBPOA, bring us your ideas and suggestions for bettering our community. Join a committee if you like and help our organization make Hernando Beach, our little piece of paradise, a great place to live.

We will soon be selling our 2018 Hernando Beach Calendars, \$10 each and they will be spectacular showcasing photos from our local residents.

Hernando Beach had a lot going on this year, the new Hernando Beach Dollar General store opened on Shoal Line Blvd and is very busy so far. The community's biggest issue was the change in ownership of our Fire Station from being the volunteer operated Hernando Beach Fire Station to becoming part of Hernando County's Fire Rescue organization. We are now Hernando County Fire Rescue Station number 6.

This past spring Steve Krou, Chairman of our GAC Vision Committee, approached the new Fire Chief and asked if he could paint our fire hydrants as local marine life. The chief said that they preferred them to remain painted in regulation colors but could he paint something "beachy" on the Fire House door. The fire house sign at the front of the lot has a surf board as part of its logo.

Steve ran with the idea and it morphed into murals on all 4 fire house doors. Steve reached out to the community and garnered the support of the community and our local artists. Steve, Diane Liptak, and Dan Garrett volunteered the artistic skills and time. Working with the firemen the group came up with mural ideas for the doors.

They started with the first door sketching out their design on the door over a base coat, they then started work on filling in the large areas of background color working down over many, many days to painting in the fine details.

The first door celebrates our Gulf sunset looking out over the Gulf from a beach chair. The second door design is a storm showing lightening striking over the Weeki Wachee Preserve and the start of the fire in the preserve from that lightning strike. Our third door is of the sunrise over the Weeki Wachee Preserve with a Bald Eagle front and center catching a fish in its claws. The fourth door was their most ambitious design so far. It is a marine life celebration highlighting all the sea life that we see in our Gulf waters off Hernando Beach. The center piece of the design is a beautiful mermaid reaching out to the sea life around her. The detail of the mermaid, fish, shellfish, plants, corals, manatees and more is amazing and just gorgeous.

Our artists had the full support of the community with people stopping by to watch them paint the design and offer support. Home Depot supplied

paint and community businesses and residents donated scaffolding, painting supplies and funds to buy supplies. Our fire station is thrilled with the results and the support they have received from the Hernando Beach community. These four doors are an amazing sight as you drive past them on Shoal Line Blvd. Steve says there is another mural plan for the south side of the building but that the project cannot start until much needed repairs are done to the building.

Our local artists and volunteers on this project were recognized for their artistic skills and dedication by the Hernando Beach Fire Station and Hernando County at the Board of County Commissioners meeting on August 8th. Our Hernando Beach fire house has been remodeled inside by the fire fighters and an “Open House” is planned for August 19th to show all the renovations done inside the station plus showoff our beautiful murals. However, the buildings themselves have deteriorated and need a lot of work.

You can see photos and videos of the murals and our fire station on our HBPOA website,

[www.hernandobeachpoa.com](http://www.hernandobeachpoa.com) then just click on the “Hernando Beach Fire Station” tab.

See you on September 7th for our HBPOA meeting at the Coast Guard Station, 7pm.

**LICENSE-FREE  
SALTWATER FISHING DAY  
SATURDAY, SEPTEMBER 2, 2017,  
12:01AM – 11:59PM**

Free fishing days provide an excellent opportunity for parents who don't yet have licenses to take youth fishing, or avid anglers to introduce a friend to fishing without having to purchase a license. On these days, the fishing license requirement is waived for all recreational anglers (residents and non-residents). All other rules (e.g., seasons, bag and size limits) apply. The saltwater waiver applies to any recreational harvest requiring a saltwater fishing license (e.g., crabbing, lobstering, scalloping, etc.) as well as fishing from shore or a boat. A snook or spiny lobster permit are not required on these days.

**McRae - McRae**

**REALTY inc**

Owned by a husband and wife team (John and Ann McRae) who have lived on the beach since 1993 and love living here. According to John a perfect weekend is never having to leave the beach!!! Both John and Ann have been Realtors for 30 plus years and are amazed that many times three generations of the same family have bought homes from them during that time. Most business is generated from repeat customers or referrals from satisfied clients.

Ann McRae is a CRS (Certified Residential Specialist). Only 3% of all the Realtors in the United States have this designation. She was Realtor of the Year for Hernando County Board of Realtors in 1997 and is the Broker for McRae & McRae Realty.

John McRae specializes in Commercial Real Estate. He handles all phases of Investment from Acquisition, to management to liquidation. He presently has Investors from South America, England, Scotland and America.

Both John and Ann have learned that an excellent Real Estate Agent must be an excellent marketing agent. One of the most valuable assets a Real Estate Agent has is successfully target marketing buyers. When McRae & McRae Realty becomes your Realtor we develop a profile for the most possible buyer for your property. Then we target the best location to find your buyer and we develop a personal web page for your home and start advertising in the market your buyers may live. John and Ann are very proud of the fact that about 40% of the time they produce both buyer and seller for a property which saves the seller money. Because Mcrae & McRae Realty is a small Company and doesn't have huge franchise fees to pay, it allows advertising in places that would otherwise be unaffordable. When you consider hiring a Realtor to market your home invite McRae & McRae Realty over and let us show you our Marketing Plan that we develop personally for you!

It costs you nothing to listen and you may be truly surprised at what you see and hear. We look forward to visiting you!!!

a technique called panning and learning some quick Photoshop

Workshop is 3 hours from 8 am to 11am at Chinsegut Conservation Center 23212 Lake Lindsey Road Brooksville, Florida.

Afterwards...Take a nice hike along the Nature Center Tract and detour to the Cypress Walk to get an amazing view of May's Prairie or hang out at the Bird & Butterfly Garden to photograph a wide variety of birds from Cardinals to Chickadees.

**Sept 8 | Friday | Day Two:** Meeting up for the Hike. Our hike will consist of three specific locations to Smiths Prairie. Our first designation we will follow a trail through scenic pine trees and photograph an array of plant life and wildflowers. At this stop we will learn a photography technique called panning. The crossroads is our next stop where the red-cockaded woodpecker may make an appearance to be photographed. The Red-cockaded woodpecker has been a federally protected endangered species since 1970 and is federally listed as endangered in Florida and capturing a photo of one of these birds would be fantas-

tic... however there are many other beautiful birds to photograph. Our final hiking destination leads to Smiths Prairie. This non-stop hike is around 15-20 minutes.

Photography hike begins at 9 AM and run until 12 PM. Please arrive by 8:45 AM to check in for hike. **Those that register will receive an email with directions to the meet-up location.**

Your registration fee includes any single daily permits required at some locations.

### **Bring on the Hike**

- Camera, Tripod or Monopod (optional), assorted lenses (optional)
- Walking Stick (optional)
- Water, Snacks, Bug Spray, Sunscreen, Travel First Aid, and any other necessities you may need (in your backpack)
- If you have allergies to plants or wildlife please plan accordingly with Rx supplies.

## HERNANDO COUNTY MEDIA RELEASE

### AlertHernando Emergency Notification System makes its debut

Hernando County has launched its new emergency notification system, AlertHernando, which informs residents to emergency situations so that they can act to protect themselves.

Through AlertHernando, the County can contact thousands of residents within minutes with important information such as severe weather, unexpected road closures, missing persons and evacuations of buildings or neighborhoods. Residents are encouraged to register now for this free service. Signing up is quick, easy and secure on the AlertHernando website at [www.AlertHernando.org](http://www.AlertHernando.org).

"We know that communication is the key to ensuring the safety of our residents, and we are always looking for ways to improve that process," said Cecilia Patella, Hernando County Emergency Management Director. "With the implementation of AlertHernando, residents will receive timely automated emergency weather alerts to help them respond more quickly to each unique situation. With the height of hurricane season rapidly approaching, I want to encourage all

residents to register for automated notifications from AlertHernando."

Residents listed in the Yellow or White Pages will be automatically subscribed to alerts by phone. AlertHernando registration also allows residents and visitors to self-register and provide additional contact information.

AlertHernando is powered by Everbridge, a global enterprise software company that provides applications which automate the delivery of critical information to help keep people safe and businesses running, and is the service provider for the development and implementation of AlertFlorida under the Florida Division of Emergency Management. This service is provided at no charge to all Florida counties. Funding was made possible by the Florida Legislature from the Florida Hurricane Catastrophe Fund.

Contact Hernando County Emergency Management at (352) 754-4083 for more information about AlertHernando.

## INTERNATIONAL COASTAL CLEANUP: SATURDAY, SEPTEMBER 16TH, 2017

Harnessing the Power of People to Fight Ocean Trash

Nearly 12 million people and counting have been part of the world's biggest volunteer effort to protect the ocean. Will you join us this year?

Today, plastic has been found in 62% of all sea birds and in 100% of sea turtle species.

A problem as big as plastic in the ocean requires a big response! By participating in the International Coastal Cleanup, you can make a difference. You'll join millions of volunteers just like you, who love the ocean and want to protect it.

This year's International Coastal Cleanup is **Saturday, September 16th, 2017.**

The Hernando Beach USCGA is seeking volunteers to help with promotion of classes, special events, and more. There are also opportunities to help with the upkeep of the flotilla building and grounds. Please contact Dennis Skonecki at

262-370-4060 for more information.

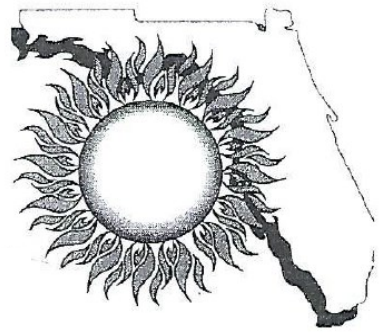

## **HERNANDO BEACH CRIME WATCH NEEDS VOLUNTEERS**

Hernando Beach Crime Watch Committee is looking for some volunteers to help drive around our area. All you need is to have a few hours a week available to drive around with a buddy. Sometimes just the extra presence seen in a community is a deterrent for crime. All Hernando Beach Residents are invited to their monthly meetings, the second Wednesday of each month at 7:00pm at HB VFW. We hope you will join us even if you do not have time to drive/ride in our crime watch car.

## LET FREEDOM RUN

Take part in the special two-day event for freedom --- remembering those who lost their lives and to honor those who were

there to assist and continue to serve our communities.

The annual Freedom Run 5K run or one-mile walk in support of freedom is on September 9th. A kid's one-mile fun takes place as well. Enjoy a continental breakfast and block party following the Run.

Also join the 16th Run to Remember where there will be an informal gathering on September 11th for anyone that wants to walk/run on the anniversary day. The event is open to all but will not be timed or have race support.
