*Current studies show that children do not consume enough water in a day. In an effort to help; we will be serving water with Lunch and the PM Snack daily.

*Menu items are subject to change.

Example- fresh fruit served may be different than what is stated on the menu according to what is fresh and available.

*On Field Trip Weeks Our Lunches May Switch Due to prep/cook time.

*Please check our monthly calendar for the appropriate lunch scheduled for the week and to see if a bag lunch from home is needed for any special circumstances.
