Practical assessment is also conducted throughout the practical classes for the assessment on your skills that are required to certify.

External Colonic Cleansing Certificate (RECOMMENDED REFLEXOLOGY & MLD CERTIFICATE)

R1900.00 (R2100.00 July 2017)

The Colon Cleanse course is a non-invasive skill that utilizes the science of Tummy massage, Thermal therapy (hot stone techniques), Mud wrapping (Of the tummy) and advanced reflexology (Digestive specific) in a very specific formula that focuses on the elimination of toxicity in the digestive system, caused from poor dietary habits, medications and current negatively affecting digestive health concerns. Manually draining clogged up waste promotes proper absorption of nutrition, nutrients, regulates the processes of elimination thus facilitating the body to naturally lose, maintain and manage weight issues. This should inevitably alleviate associated health concerns, reflecting a positive, healthy attitude towards life.

WHAT IS COVERED IN YOUR COURSE

- Introduction to the digestive Anatomy and physiology and detoxification
- Health and Safety and legal parameters
- Professionalism and how to receive paying clients according to 5 star International standards while addressing their concerns
- Marketing yourself for business growth in detox therapies and generating return clients
- Mastering the massage techniques for the abdomen, Reflexology (System Specific), Thermal therapy and Mineral therapy.

WHAT DO YOU RECEIVE WITH YOUR BALANCINGTOUCH COURSE

- You will receive your External Colonic Cleansing Manual
- 100 ml detox Massage Oil Blend
- 6 hot stones
- Detox clay
- 6 hours Intensive training and facilitation from SAQA accredited experts of Massage therapy

Practical assessment is also conducted throughout the practical classes for the assessment on your skills that are required to certify.

Herbal Poultice Massage Certificate (Limited) (MUST HAVE SWEDISH CERTIFICATE)

R3900.00 (R4000.00 July 2017)

The Herbal Poultice massage course is a beautiful eastern based treatment that uses specially picked and selected herbs and medicinal plants, heated and steamed in poultice bags to be used as massage tools on the body to bring about deep relaxation, ease pains and other health ailments and take the client on a journey of healing and mind, body, soul balance and harmony. The course uses the medicinal herbal poultice bags on Ayurveda pressure points, known as Marma points (Like Shiatsu or Acupressure points). Much like herb-ology and aromatherapy, the herbs aid in deep healing and cleansing of the body and assist in transforming the emotional and mental state into a more positive and peaceful state. This is a must for therapists who want to add a signature touch to their practices and assist in deeper healing for clients in high stress jobs that need that little bit more

WHAT IS COVERED IN YOUR COURSE

- Introduction to Herbal Poultice
- Health and Safety and legal parameters
- Professionalism and how to receive paying clients according to 5 star International standards while addressing their concerns
- Preparation of herbs and poultices for Healing therapies
- Mastering the massage techniques for the Marma points with Poultices), Thermal therapy and Herbal therapy.
