

Environmental Education
in Classrooms and Communities

Ontariogreen Conservation Association Membership Application

Ontariogreen is a charitable, volunteer-led organization that is dedicated to providing environmental education in classrooms and communities.

Ontariogreen works with community partners to improve knowledge about the environment so people will be able to make decisions that reduce environmental harm and improve biodiversity by saving energy, eliminating waste, conserving water, reducing greenhouse gas emissions and pollution, planting native plants, caring for natural areas and supporting local food production.

The objectives of Ontariogreen are:

1. To educate and increase the public's understanding of the environment and its importance by offering courses, seminars, conferences and meetings and by collecting and disseminating information on that topic.
2. To develop and provide programs promoting the protection and preservation of the environment through re-use, reduction, recycling and recovery of waste and to educate institutions, industries, businesses and individuals about effective waste management systems.
3. To organize or participate in environmental projects designed to preserve and protect flora and fauna; preserve, protect and restore rivers; or improve the urban environment.
4. To conduct research relating to the environment and to disseminate the results of such research.

The members of Ontariogreen are entitled to vote at the Annual General Meeting and are expected to attend the AGM. All Directors of Ontariogreen must be elected or re-elected annually at the AGM.

I/We apply to the Board of Directors for membership in Ontariogreen.

Date: _____

Name(s): _____

Address: _____

Phone Number: _____

Email: _____

Please note that by giving your email address, you consent to receiving communications from Ontariogreen. We take great care in protection of personal information and your email will only be used to receive communications from Ontariogreen.

I/We have paid the annual membership fee of \$25 (individual) \$30 (family)

By Donating on CanadaHelps Mailing payment with this form (please make cheques payable to Ontariogreen Conservation Association).

Are you interested in volunteering with Ontariogreen? Yes No

Do you have an area of interest?

How did you learn about Ontariogreen?
