

CUPCAKE

Cuddle up now
Little cupcake
Cuddle up
For some company

I'm out of my league
It's easy to see
Being here
Next to you

This is love like I've
Never known
Love like I've
Always dreamed of

Sunshine & flowers
All of the time
How I feel
When I'm with you

Blowing my mind
I can't think straight
This is so
Beautiful

Rainbows & unicorns
All kinds of fancy
It's all
Surreal to me

You make me better
You've changed my life
I've become
Something new

Forever & always
My cupcake
I can ask
For nothing more
