

“Spirit Stuff” by Appletree is sooooo simple...

Here is what we will do for you:

- * Design your custom logo (with your input, of course)
- * Supply you with printed display samples for your school showcase
- * Provide assorted try-on samples for sizing purposes
- * Print order forms - one for each student in the school
- * Pick up completed order forms and tabulate orders (after a 7-10 day order-taking period).
- * Print only those items your families have ordered
- * Pack each student's order, ready for distribution
- * Deliver your orders to the school

All you need to do is:

- * Display printed samples in a prominent place in the school
- * Distribute order forms to students
- * Collect orders and payment by the deadline date
- * Submit order forms to Appletree
- * Distribute pre-packed student orders when they arrive at school, about 2-3 weeks later
- * Payment is due upon delivery of your orders.

The bottom line:

- * No risk. No leftovers. No Hassle. It couldn't be simpler.
- * Oh ya, YOU LOOK GREAT!

Let Appletree help you look great!
