On Zoom

A Non-Profit Club Dedicated to Service

## CCCC President

Hello everyone!

I hope everyone is well and healthy.

As you know, we always have our annual picnic in August or September at Miller/Knox Park at Pt. Richmond. We will NOT be having a picnic this year due to the Covid + viruses. We are hoping for our annual Christmas party if things are much better by December. We will keep you informed.

Please feel free to join us the 2<sup>nd</sup> Sunday of the month for our CCCC monthly meetings. It's nice to put a face to the name. we look forward to seeing you in September for our monthly CCCC meeting.

Please stay safe and let's follow the rules of the CDC so we can all be together again.

**Burgie, KE6MSF,  
CCCC President**

## CCCC Membership Report

The members of CCCC lost a great member when Robby Robinson passed away on 7/22/21. Robby was our Trustee for many years and regularly monitored our frequencies. He helped quite a few hams set up their stations and program their radios over the years. He outlived many of his ham buddies. He died at the age of 95. We will miss him.

The pandemic has kept us from meeting in person and the variants are keeping us apart. To be safe, we canceled the annual picnic and are hoping the situation is improved enough to have our Holiday gathering in December. Thanks to all who are keeping the nets going. If you are home at 7:10 am Monday through Friday or at 7:30 pm on Thursday evenings, we would love to have you check in and chat with other hams for a while.

## CCCC Minutes for August 16, 2021

The Zoom meeting was brought to order by President Burgie, KE6MSF at 10:10 am replacing the August 9<sup>th</sup> meeting. There were 11 members present.

Regarding our picnic, because of health concerns, we discussed postponing it for this year. The consensus of the group was that with all the stipulations about how many in a group, will we need two groups to accommodate if everyone shows up. Everyone voiced their opinion and decided to postpone the picnic till next year. Our Christmas gathering is still pending.

### **Trivia Report**

**Jan**, AC5RB reported, there were 18 total participants throughout the time and there were 32 questions. There were 2 everyone got right, there were two everyone missed. Thanks to all who participated.

**Minutes** – No report

**Treasurer** – No report

David, KJ6AAT mentioned damage that happens when power goes out and the surge protectors are overloaded when it all comes back on. Alvin, KK6UQX suggested to replace surge protectors every 5 years.

### **Tech Report**

Dj, KJ6DJ said there will be a need for weed chopping and general maintenance up at the site. They will select the best time to get the group together.

Meeting adjourned at 10:40 am.

Respectfully submitted,

Jan Kuhl, AC5RB  
CCCC. Secretary

**Hello CCCC Members,**

Hope everyone is enjoying their summer. The Morning Commuter Nets are up a tick or two, my Saturday nets are down a few for each frequency.

I started three nets exclusive for the North and East CERT members, with our designated simplex channel 147.450 MHz for Hams, a FRS net, and a GMRS net. It's a check-in only net, so all they need is a Ham and GMRS call sign, just a name and location for FRS. It's the easiest way to develop radio communications and maybe add to our Morning Commuter Net.

Our second Sunday, club meeting is on September 12<sup>th</sup> at 10:00 am. If you wish to be included, please email Audrey Nieman, W6BBQ, at [Audrey.nieman@gmail.com](mailto:Audrey.nieman@gmail.com), so she could email the Zoom meeting to you.

Please stay safe and 73's.
