

If you are already a Newbridge player

We ask you to be an ambassador for your club. Now that schools are back we want you to act as ambassadors for Newbridge RFC in your school. Spread the word on our club ethos, philosophy and coaching practice. Encourage your friends and classmates to TRY club training. The larger our club playing community is the better and more vibrant our club will be. It's your club, be proud of it and why not go out there and sell it?

All head coaches are trained to Leinster Branch and IRFU coaching standards

Newbridge RFC have been providing players from our club to represent North Midlands and Leinster teams at youth level since our founding.
