

Sales Professional-Specialty Pharmacy

Specialty Pharmacy Company –Mid Atlantic Sales territory opportunities
Full Time position

Our client, A Specialty Care Pharmacy Company located in New Jersey is seeking a Sales Professionals to expand business in the Mid-Atlantic region. Sales territories include: NJ, NY, and PA. The person will work from home office, travel territory with some company time for meetings and training updates. Competitive pay based on experience and strong compensation package.

This position is selling the Pharmacy service! The goal is to work closely with the physicians, healthcare providers and office staff to remove the non-medical burden off the practice. The company will assist with prior authorizations, injection training, co-pay & reimbursement assistance, refill reminders, compliance monitoring, and outcome reporting.

Below are some examples of medications for each disease state:

Hep C: Harvoni, Sovaldi Pegasys, Ribaviran, Peg-Intron

Multiple Sclerosis: Copaxone, Avonex, Betaseron, Rebif

Rheumatoid Arthritis: Humira, Enbrel, Remicade

Crohn's Disease: Humira, Cimzia,

Oncology: Sutent, Tarceva, Gleevac, Temodar, Thalomid, Xeloda, Xofran, Kytril, Procrit, Aranesp, Neupogen, Neulasta

Psoriasis: Humira

Low Molecular Heparin: Lovenox

HIV/Aids: Epivir, Retrovir, Ziagen, Trizivir, Zerit, Combivir, Videx, Emtriva, Epzicom, Truvada, Viread, Invirase, Norvir, Kaletra, Prevista, Viracept, Crixivan, Reyataz, Lexiva, Aptivus, Viramune, Rescriptor, Sustiva, Fusion

Dermatology-acutane

We are seeking someone who has ability to build and maintain relationships. A team player who has current relationships within the healthcare community and previous Specialty Care Pharmacy Sales experience is a PLUS.
