Drivers – Will still need to fill out required paperwork for insurance purposes and a W-9 for payout purposes. If you already have current paperwork submitted and a W-9 on file, you are ready to race.

Minors – Any person under the age of 18 must be accompanied by their parent or legally court appointed guardian at ALL times. A minor must have a birth certificate on file with the Speedrome and fill out any paperwork asked before entering the pit area.

Rain Check Policy – The Thursday and Friday pit passes are considered used with no refunds or rain checks once any on-track activity begins on that day including but not limited to any green flag practice or racing. The Saturday pit pass is good for that day and any other day that is required to declare the race official.
