If I had asked people what they wanted, they would have said faster horses! -Henry Ford

TRACK NIGHT AT ROYAL PURPLE:

What a great night to be at the races! Between WHMC and NMCC we had about 20 people come out and several even made a pass on the track. With almost 200 cars going down the track, there weren't any major accidents. Hopefully we will have more Friday night races to come and bigger attendance for the event.

FORT POLK COFFEE & CARS:

What an amazing turn out we had for the Coffee & Cars for our Military! Thank you to everyone that was able to attend this

event. There were upwards of 300 cars attend in all. How amazing is that? It was a beautiful day to go out and support our military men and women.

- SCCA will be holding a road rally in Lake Charles, LA around the end of February. It will be similar to road rallies that we have held but probably bigger, the date is still pending for it and more information will be
