

Dear fellow campers and pilgrims on this journey farthest out,

I hope that you all, like me, are basking in the warmth and love we shared at our Autumn JFO virtual camp. I am experiencing that after-camp glow, with sadness that it's over, and gratitude for all who participated, whether in creating the components, or creating the loving community through your presence and participation.

Now that we've finished camp, the Autumn JFO Council Ring would greatly appreciate your feedback by filling out our evaluation survey. You can find the survey on our <https://www.autumn.jfospace.com/> We will use your responses for future planning of virtual retreats and camps.

Just a couple of reminders – first, it's not too late to donate by clicking the donate button on our camp web site or mailing in your check. As Mac shared, we will use your donations for our leader honorariums, and to provide support to CFO International, Spirit in Action, and Zephyr Point Presbyterian Conference Center.

Second, please feel free to access the camp web site to continue to listen to the wonderful selection of talks or catch portions of camp you weren't able to participate in or replay portions you want to hear again. It's there for you.

Many blessings to you all my friends, and may you continue to let your light shine into our world so in need of our love. Stay safe and healthy, and comforted in God's loving embrace.

With love,
Diana Halpenny
Chairperson
