

MEASURING FOR HAMES:

Hames are measured in inches from the top notch of the ratchet to the bottom of the hame.

Standard hames sizes are in two inch increments from 20 inches up to 32 inches. Larger sizes are by special order. Pony hames are sized from 12 inches to 22 inches.

PLEASE MEASURE THE COLLAR FIRST SINCE HAME SIZES ARE TWO INCHES LONGER THAN THE COLLAR SIZE!

Also to remember in measuring for Hames, they are always 2 inches larger than the collar size. Example: a 22 inch collar would take 24 inch Hames for a proper fit.
