Our Community Impact FY23

SAS works within Fiscal Year guidelines, marked as July–June. We have been working to better gather and understand our data so we can be more effective. In the above graphics, you can see the impact of our Federally Funded Housing Programs, and our own Utility Assistance program funded through community partnerships and private grants. We will be providing a more detailed breakdown of all our programs in our Annual Report which will come out at the end of the calendar year.

Thank you
ZION CHRISTIAN CHURCH FOR SUPPORTING OUR HOUSEHOLD ESSENTIALS PROGRAM AS YOUR CHRISTMAS IN JULY SERVICE PROJECT

Did you know SAS provides Move-In baskets to all our households moving from homeless to housed? Or that we keep basic household items for households who may be struggling to access necessary items, such as laundry detergent or shampoo? If you would like to support this program, check out our Amazon Wishlist:
