Tucker County ended their season with a 1-15 record. Coach Crystal Hudson had this to say after the sectional loss, "I am extremely impressed with the progress that these girls were able to make in 3 months. It says a lot about their work ethic that they were able to overcome the frustration of learning a sport that is new to all of them." She also added, "We would not have had this level of growth without the support of our families and the whole Tucker County community."
