

# INTERNATIONAL PURCHASING AND SHIPPING

Currently, international purchasing is available through PayPal. **You do not need a PayPal account to purchase.** To start the process, send an email to [info@clearbeerdraughtsystem.com](mailto:info@clearbeerdraughtsystem.com) which contains the following information:

- Your email address

A PayPal invoice will be forwarded to you which includes shipping and handling charges. To complete the purchase, send the \$USD to my PayPal account from yours, or pay using your credit or debit card. The product will then be shipped to your door. **Please do not request an invoice if you are not committed to a purchase.** All parcels will be shipped USPS Priority Mail. As of 9/6/18, the shipping costs for **1 to 4** Clear Beer Draught Systems to just about anywhere in the world is \$25-35 US. For larger quantities, request a shipping quote.
