ABOUT BRIGHT FUTURES FARM:

Bright Futures Farm is a trusted, well-respected 501(c)(3) equine rescue and sanctuary located in Cochranon, Pennsylvania.

Since 2000, our mission has been to save horses from abuse, abandonment, and slaughter.

Once a horse is rescued, we provide medical care, rehabilitation and schooling and then adopt many of them into loving, forever homes. Our rescue also provides a permanent sanctuary to elderly and disabled horses that have been callously discarded because they are "too old," "too sick," or unwanted.
