

December 2020/Apple Tree Prep Athens

Dear ATP Parents,

We hope this newsletter finds you well and that your Thanksgiving holiday was filled with happiness and relaxation! We are excited to be back in session beginning a new month of learning and exploration. As always, the ATP staff appreciates your constant support and willingness to lend a helping hand! November was a month of thanksgivings for ATP.

As we move into the month of December, the classes will learn about different celebrations all over the world, family customs, Christmas celebrations, and what occurs when a new year begins.

The ATP family will spread the joy of gift giving and Christmas by way of our "Stocking of Cheer". This year, we are partnering with The Oaks Retirement Center again to provide the residents cheer. For the past year and a half, the Green Apples Pre-K classroom has b partnered with the residents at The Oaks, a senior/assisted living facility, for multigenerational activities. The "Oaks Resident Cheer Fund" container will be on the front table. Our last day for collecting is December 11th.

We are looking forward to a fun-filled December! Wishing you a safe and happy month ahead.
