

March, 2019

Dear Parents,

I want to let you know that I have decided to retire as Sunrise Montessori School Director/ Head of School effective June, 2019. As many of you know, I was part of the group that founded Sunrise in 2005. At that time, the school began as a single classroom with six children and two teachers. Fourteen years later, we are proud of the amazing school it has become with two classrooms, 6 teachers, an Extended Day Program, and a Summer Program. The school has also grown as a respected organization in the Franklin community, guided by a dedicated Board of Directors, teachers, and parents.

I have so many fond memories of the children, their families, the teachers, and the members of the Board who have been on this incredible journey with me. I especially want to thank two members of the Board, who are also Founders; my husband Paul Roeber and my friend and colleague, Sue Roecker. They have worked countless hours, behind the scenes, to support our dream of a top notch Montessori school in Franklin.

The Board of Directors has formed a search committee tasked with hiring my replacement. They are considering internal candidates as well as qualified applicants. Parents will be updated and informed of the progress throughout the search process.

I will always stay connected to Sunrise in some capacity, but at this point in my life I am looking forward to spending more time with my grandchildren, with friends on the Cape and to travel to places that I have never been before. I wish everyone well, and I have complete confidence that Sunrise Montessori School will thrive for years to come. Thank you again for being a very important part of my life.

Sincerely,

Karen M., Roeber
