# PRACTICE

**PENCIL TOOL:** Draw the following custom shapes using the pencil tool. Note the difference between a closed shape and an open shape. Fill closed shapes with a color of your choice. Use a 2 pt. blue stroke on each.

**PEN TOOL:** Draw the following custom shapes using the pen tool. Fill closed shapes with a color of your choice. Use a 2 pt. blue stroke on each.

**HOLD DOWN SHIFT TO GET STRAIGHT LINES AND 45-DEGREE ANGLES**

**USE THE GREEN SMART GUIDES TO LINE UP YOUR POINTS**

**EACH CURVE HAS A BEGINNING, MIDDLE, AND END**

**ADVANCED PEN TOOL:** Draw the following more complex shapes. Each curve has a beginning, middle, and end. Fill each shape with a two color gradient of your choice. Do not use black OR white.
