

Fleet Captain Report August 2018

Between hot weather & red tide no one signed up for the cruise to Turtle Cove Marina in Tarpon Springs.

But true to form for Hudson Beach Yacht Club, just add food at a restaurant & people will show up. We had 15 people sign up for the dinner at Rusty Bellies & 10 showed up. Of the ones that didn't show up only 2 had the courtesy to let us know that they couldn't make it.

Hopefully in the future with cooler months coming & no red tide I'm hoping better participation.

Fair winds & following seas.
