## Our Organization

### **501(c)3 Registered Agency**

Davidson County Transitional Services is an innovative organization that Empowers, Educates, Explores, and Eliminate barriers by providing opportunities for a Sec2Nd Chance to RE-BUILD connections after incarceration, abuse, or addiction. At DCTS, we aim to rebuild hope where it's been damaged or lost. We work with those in need, those who are underprivileged, and those who are under-served to rebuild and restructure. Our focus lies on community efforts, including shelter, community awareness, and educational opportunities. We firmly believe it takes a village to raise a child, and if you work on creating the most well equipped society you can, so many problems simply work themselves out.
