LEE A. ISRAEL, MAYOR

May 1, 2019

Dear Neighbors:

This month's meeting of the Board of Trustees will occur on **Tuesday, May 7, 2019 at 8:00 p.m.** at Village Hall. In addition to our regular monthly business, there will be a public hearing regarding the Village's Storm Water Management Program, annual report.

Please note that construction and landscaping is not permitted before 8AM on weekdays and Saturdays and no work is allowed on Sunday. Please be sure to notify your contractors and service providers accordingly of these regulations.

The Village of Woodsburgh continues to work with the planning and engineering firm Nelson, Pope & Voorhis. The firm has been conducting an evaluation and assessment of the impact of development within the Village, which will lead to an update of the Village's comprehensive plan. To this point, the firm has performed a significant portion of their review of existing and anticipated conditions, as well as an evaluation of our laws and regulations. As part of the next step, they will be seeking input from residents and the community via an online questionnaire and an open house meeting. We would greatly appreciate your assistance and cooperation in completing this survey and/or attending the open house. This is a great opportunity to further express your community aspirations and goals for consideration as part of our Village plan. Notification of this meeting and survey will be publicized as soon as available.

We look forward to seeing you on the 7th and thank you for being a part of the Woodsburgh Village Community. On behalf of the Board of Trustees and Village Staff I remain with best regards,

Hon. Lee. A. Israel, Mayor
