Welcome

Welcome back everyone and a special welcome to all the new nursery and reception parents who have joined us this year.

Moss Hall Schools Association also known as MHSA is a registered charity.

It is run by a group of parent volunteers who organise events to raise money for the nursery, infant and junior schools.

However, we can't do this without your help at events. An hour of your time to help run stalls, set up or clear up an event is all we need.

Your employer may have a **match funding scheme**. This is when employers match the fundraising total of an event or a stall that the employer is working on. This could really raise a lot of money for the schools.

Please ask your HR department if that have a match funding scheme. Please be in touch for more information on info@mhsa.org.uk

Last year we raised over £26,000

Thank you to everyone who supported us.
