Bill called the meeting to order at 4:00 pm.

John made a change to the Minutes of August 13, 2018. John made a motion to approve the Minutes as amended. Second by Ed. All in favor.

Tharon Tewksbury, of 340 Center Road asked the Board what happened to the trees on Center Road. He said that the trees in front of his house that were promised to him were cut in half. He said that at the July 9th meeting with Center Road residents they were told that just the tops and limbs were to be taken off and the rest of the trees would be given to the resident. The Board discussed the difficulty in getting an insured company to do the job at a fair price and said that CCM is a very reputable company hired by Stevens for the job. Consensus of the Board that in order to solve this one issue with Mr. and Mrs. Tewksbery at 340 Center Road, 2 cords of wood would be delivered to them from the Town to supplement the discrepancy in their portion of wood.

Harold stated that all of the trees he marked on Skyline Road have been taken down and the residents on that road are pleased. He suggested sending a thank-you note to Bruce Truell and Lance Callum who have helped out on this project.

Tracy asked about the letter that was received from Bruce Adams and Carol Carley regarding taking on Old Home Day for 2019 again. The Board had a discussion about starting a committee for Old Home Day and posting it on the Town website to solicit members. The thought is that the community has many residents with different talents and resources to contribute. Tracy will call Bruce and Carol and ask for their help in the committee as well.

John made a motion to sign 2 pistol permits. Second by Ed. All in favor.

Bill discussed the Education Funding meeting he went to at the Richards School in Newport last week.

At 5:45 John made a motion to go into non-public session under RSA 91-A:3c for Personnel. Second by Ed. All in favor.

At 6:40 Ed made a motion to return to Selectmen's meeting. Second by John. All in favor.

The Board suggested having Sam Greene from the DRA come in to a meeting to discuss the upcoming revaluation of the town. Tracy will make an appointment.

At 6:55 Ed made a motion to adjourn. Second by John. All in favor.

Respectfully submitted,

Tracy Decker
Secretary
