The requirement to provide a reasonable accommodation pursuant to this section does not apply to any nonpublic school entity.

Section 4. That the code be amended by adding a NEW SECTION to read:

If any public school district, school district officer or employee, school board, or school board member is sued in state or federal court as a result of a decision based upon and consistent with a student's biological sex, notwithstanding any assertion that the student's gender is different than the student's biological sex, the attorney general shall represent the school district, school district officer or employee, school board, or school board member at no cost to the school district, school district officer or employee, school board, or school board member, and the State of South Dakota shall assume all financial responsibility for the legal expenses. The legal expenses for which the state is responsible include any award for monetary damages or attorneys' fees and costs which may be awarded and for which the school district, school district officer or employee, school board, or school board member would otherwise be responsible.
