PRAIRIE DEBUT PRESENTS: LADOM ENSEMBLE Friday, February 01, 2019 7:30

Lodom Ensemble is the best example of musical integration that defines this country. Drawing from Persian, Balkan, South American, and Turkish music, these four musicians effortlessly integrate these

musical genres and blend them into a contemporary classical framework. Lodom Ensemble engages the audience through their energetic performances, mingled with the musician's cultural and musical stories

that furthers the audiences overall experience. With a unique combination of instruments consisting of accordion, world percussion, cello, and piano, they create a distinct yet accessible sound that will be a memorable

performance for all ages. Original compositions such as Raha, Noor, and Veles I & II represent the ensemble's vast musical works of Middle Eastern persuasion, while their own arrangement of Brahms's Hungarian

Rhapsody, Piazzolla's Libertango, and even Weird Fishes by Radiohead, gives familiar works a refreshed musical diversity to share.

RED MOON ROAD Friday, March 22, 2019 7:30 PM

Red Moon Road was formed in 2012 by Daniel Jordan, Sheena Rattai and Daniel Peloquin-Hopfner, 'Sorrows and Glories' (their third album) has delighted listeners worldwide. The three collaborative yet

distinct writers frame immaculately crafted songs with original and innovative instrumental work. With tastes of Albertan country, Parisian aires, banjo driven anthems and the tradition folk storytelling in a Canadiana

style, the music carries the stories as compellingly as the lyrics. The Winnipeg folk trio is known for surviving adversity, spinning stories into songs and, more often, breaking hearts with stunning musicianship. Live,

Red Moon Road makes a much bigger sound than one would expect from a trio. In an impressive well-choreographed show, bordering on spectacle, the trio incorporates impeccable three-part harmonies, a roots

drum kit split entertainingly but pragmatically between two band members and an acoustic guitar rigged to also be a bass.
