## New Exhibit Puts Spotlight on Diamondback Terrapins

They're small, cute, and like to eat fiddler crabs. Starting Friday, they're also the focus of a new outdoor exhibit at Upper Tampa Bay Park.

The diamondback terrapin exhibit encompasses more than 400 square feet, is screened to keep out predators like raccoons, and includes a small pond, rocky shore, and a sandy beach – all features designed to mimic the reptiles' natural habitat.

The newly constructed outdoor exhibit was built onto the park's existing nature center, which also includes an indoor exhibit on diamondback terrapins. The terrapin center is a partnership between Hillsborough County Conservation & Environmental Lands Management and the Friends of Hillsborough County Parks & Recreation, which donated most of the funding.

Diamondback terrapins can be found from the Florida Keys to Texas to Massachusetts. Though not classified as endangered, their numbers have been in decline for years, primarily because of a loss of habitat. The terrapins live primarily in salt marshes along the Gulf and Atlantic coasts, and Upper Tampa Bay Park has some of the most pristine salt marsh habitat in Florida.

A dedication ceremony for the Diamondback terrapin exhibit will be held at 10 a.m. Friday, July 20, at Upper Tampa Bay Park, 8001 Double Branch Road, Tampa.

## Hillsborough County Accepting Concept Papers for Use of Justice Assistance Grant (JAG) Funds

The Hillsborough County Criminal Justice Unit is accepting Concept Papers from governmental and nonprofit agencies that seek to provide sustainable, innovative, treatment, prevention, intervention, education, enforcement, and prosecution services to residents of Hillsborough County to prevent, reduce or control crime, and improve the criminal justice system. Concept Papers are requested for planning the use of available Justice Assistance Grant (JAG) FY 2019 funds. Hillsborough County anticipates funding in the amount of \$119,803. A mandatory pre-application meeting is scheduled for 10 a.m. on July 20, 2018 at the Frederick B. Karl County Center, 601 East Kennedy Blvd. Tampa, FL 33602, in 24th floor Conference Room 2416W-A. Application forms will be made available at the meeting.

The Concept Paper is designed to provide a summary of the proposed initiative. This package does not attempt to list the federal, state or county laws, ordinances, rules, or regulations that may affect your proposal or performance under any resulting contract. Lack of knowledge will not relieve the respondent from complying with applicable laws. We encourage you to read the enclosed documents carefully and respond to this request on the forms provided.

It is important to note that the federal funder's guidelines have been narrowed to meet the County's goals and objectives. The applicant cannot plan to use any funds offered to replace funding shortfalls or supplant existing revenue streams. Selected initiatives, regardless of the funding source, are intended to support new programs, additional capacity, significant expansion, or other enhancements that improve outcomes and reduce crime.

Selection criteria will rely upon application completeness, community need for the initiative, support of Board of County Commissioners' goals, how well developed the initiative is, the agency's capability to implement the initiative, leveraging of additional resources, collaboration, and plans for sustainability. Funding shall be available through the Board of County Commissioners from Federal and State Edward Byrne Memorial Formula Justice Assistance Grant Programs.

The submission deadline is 5 p.m., August 20, 2018. In fairness to respondents who meet the deadline, staff will not accept any late submissions. If you have any questions or inquiries regarding the forms or this process, please submit them via email to Felicia Richardson at richardsonf@HCFLGov.net and/or Sarah Rynearson-Moody at moodys@HCFLGov.net.

What is joy? Is it a feeling? An attitude? An emotion? Is it something we "get" or "discover" or "find" on the road of life? Is it temporary or permanent? Can it be passed from one person to another? Is it internal or external? Is it possible it could be all of the above?

Things were not going well for Moses. He knew that something was missing in the lives of the Hebrews and he knew what it was: joy. They had been through difficult days and trying times. They grumbled and groaned and griped. They were critical of their conditions and angry with God. Why, they wondered, did they leave what they had for something they had been promised but could not find. They were disenchanted and discouraged.

So, Moses, the man of God, knew what to do: He went to God in prayer. "Relent, O Lord! How long will it be? Have compassion on Your servants. Satisfy us in the morning with Your unfailing love that we may sing for joy and be glad all our days."

Moses reminded God that He was a God filled with unfailing love. In earnestness he begged God to show His compassion and *relent* - "We've suffered long enough! When we awaken tomorrow morning," he prayed, "fill our empty hearts with a renewed awareness of Your unfailing love." Moses knew that only God could restore the "joy of their salvation" and the blessings that repentance brings.

Often we become like the Israelites - wanting God's blessings without being faithful to Him. Hearts once filled with joy are empty because of sin. It's time to repent!

PS 219

Goethe is recognized as one of the greatest German politicians and authors. Having keen insight into the life and future of his nation he wrote, "The destiny of our nation can be determined by the opinions of our youth!" Few would disagree with his observation.

The statesmen of our nation say the same: "The future lies with our youth." If that is true, and it is, we must admit that "the future of our youth lies with us!" And since that is true, and it is, we must ask ourselves, "What are we doing to prepare our youth to lead our nation?" Will they know the God of the Prophets and the Christ of the Apostles and disciples of the early church? Will they learn and follow and lead with the "faith that was once delivered to the saints?" Or will they surrender their lives to the attractions of materialism and self-centeredness?

Recent studies reveal that 60% of our youth will no longer attend church when they turn twenty. And even though some churches have vibrant youth programs, they are having no long lasting influence on their lives. Few make a lifelong commitment to Christ, to serving Him. It seems obvious that we are entertaining but not educating.

What needs to be done? Moses, once again, provides insight and advice: "May Your deeds be shown to Your servants, Your splendor to their children."

The fact of the matter is that His deeds and splendor can only be seen in our lives. If our faith does not work for us, "why" they will ask, "should we believe in Your God?"

## Minute Story – Charles Perrault

by Rix Quinn

We’d like to recognize Charles Perrault, who preserved the folk tales of “Little Red Riding Hood,” “Sleeping Beauty” and many more.

We’d bake a cake in his honor, but since he was born in 1628, he’s 375 now. Few folks that age can blow out the candles.

Perrault painstakingly transcribed centuries-old stories that taught important lessons like bravery, honesty, and witch avoidance.

Before Perrault committed them to paper, folk tales passed orally from one generation to the next. As you know, the mouth is filled with bacteria, so many stories were mangled through repetition.

There’s also the possibility that characters would get “co-mingled.” Without

Perrault, somebody else might have strolled into Grandma’s house, and been devoured by the wolf. And Red Riding Hood might have wandered into another fairy tale, and taken her picnic basket into a different house, or even a castle.

I guess that’s why the legend about Riding Hood is my favorite. Where else can you find fresh baked goods, a lovely heroine, a talking wolf, and a lumberjack all in one place?

## Minute Story -- Houseflies

by Rix Quinn

As I think about summer in Texas, houseflies come to mind. Maybe that’s because I’ve been chasing one around the office all morning.

It’s hard to guess how many there are worldwide, but we know there are 300,000 species. I personally have interacted with several hundred thousand, many of them gathered around my sandwich.

Flies are 65 million years old, which means they’ve been around longer than my aging great uncle. And he may have something in common with them, because two or three hover around him constantly.

Flies produce a sticky substance on their feet that allows them to walk confidently on the ground, or even upside down on our bedroom ceiling. They carry all kinds of horrible diseases, like plague and dysentery.

And even worse, they can only digest liquids. That means before they eat your fresh meal, they spit to liquify it.

Flies can live up to 60 days. And, they can lay up to 2500 eggs each.

So, to sum things up: There are probably a gazillion flies. We cannot escape them. They have amazing reproduction powers, and they will be around longer than the common cold.

To protect yourself, keep the flies outdoors while you stay indoors. And if they get inside, watch where they spit.

## Two Hillsborough Libraries Now Accept Passport Applications

**In partnership with the U.S. Department of State, the Tampa-Hillsborough County Public Library system has joined the list of acceptance locations**

You can find many services at Hillsborough County libraries, ranging from meeting space to mobile motorist services to tax help. Now, two libraries have added another resource: U.S. passport application acceptance.

First-time passport applicants must submit their documentation and sign their paperwork in person at a Passport Acceptance Facility. In a partnership with the U.S. Department of State, the Tampa-Hillsborough County Public Library system has joined the list of acceptance locations as yet another way that libraries can offer a convenient service that will make life a little less stressful.

Library staff trained by the Department of State accept passport applications and fees on Wednesdays and Saturdays at the Port Tampa City Library, 4902 W. Commerce St. in Tampa, and Tuesdays, Thursdays, and Saturdays at Bloomingdale Regional Library, 1906 Bloomingdale Ave. in Valrico. The Bloomingdale location also offers evening hours.

Appointments are necessary, and can be made by calling (813) 273-3652. An appointment must be made for each applicant, and all applicants must be present. Library passport services are for new applicants, and not for renewal services.

Travelers are reminded to apply for a passport card or passport book well before their trip. It typically takes the Department of State four to six weeks to process an application. Also, specific documents showing identification and proof of U.S. citizenship, as well as passport photos, must be submitted with the application.

For complete information about what's required to apply for a passport, a link to the application, and a list of fees, visit the library's Passport Services page.

## Nature-Loving Scout Helps Preserve Neighborhood Ponds

*Campaign Encourages Using Storm Drains Only for Their Intended Purpose*

Rachel Roberts places a hanger on a Northdale resident's door.

Rachel Roberts is passionate about animals and the environment. That's why asking people not to dump oil, chemicals, and trash into storm drains seemed like the ideal project for her Gold Award, the highest honor in Girl Scouting.

The drains lead to ponds and waterways, and can ferry debris that harms wildlife and aquatic plants.

Hillsborough County Public Works gave Rachael more than 300 embossed labels to glue onto storm drains, and hangers to place on her Northdale neighbors' front doors. It's part of the Storm Drain Marking Kit effort, an arm of the Adopt-A-Pond program.

The kits include the colorful labels for storm drains, with the message "No Trash in Drains, Keep Your Water Clean." Door hangers call attention to the drain markers, and have a rundown of pollution prevention tips.

The markers emphasize that storm drains are for rain, not oil, grass clippings, leaves, fertilizers, litter, or pet waste.

Though such dumping is not a particular problem in the Northdale community, Rachel wants to ensure it stays that way. When walking her dogs, Maggie and Indiana, she noticed many cautionary labels glued atop storm drain covers were cracked, faded, or missing. "I wanted to help replace these storm drain signs in order to help improve the environment," she says.

Rachel affixed new UV-resistant labels to drain covers throughout her neighborhood, and hung the notices on residents' doors. She hopes people heed the message, and are less inclined to dump anything into storm drains.

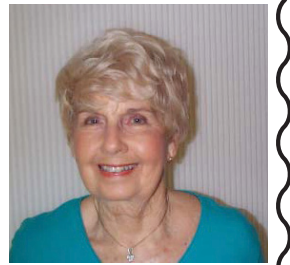

Keep Tampa Bay Beautiful, a non-profit group that promotes environmental stewardship, often suggests the Hillsborough County program and a similar one in Tampa to volunteers wishing to help. "It's a good outreach opportunity, where people can do it on their own," says Christina Arenas of Keep Tampa Bay Beautiful.

For her efforts, Rachel received the Gold Award in June,

## Twin Lakes Elementary School ... 85th Anniversary Reunion

In May, I attended the 85th Anniversary Reunion of Twin Lakes Elementary School, built in 1996 which now replaces the old Twin Lakes School of my childhood days. Scores of memories flooded my mind, as I gazed at the photograph of Mr. Omar Mitchell, my Principal and of Roy Rogers and his horse "Trigger," who visited our school so many years ago. Not many mementos, probably not available, but for the old school I loved ... it was enough. After all, I'm talking about the

early 40's. Have most of us "old timers" faded away?

The next week the diary we all carry around with us called "memory" started to function and then went into overtime ... and I remembered.

We lived two blocks west of Florida Avenue, which was outside the Sulphur Springs School district. We were bused to school by a "big yellow" county school bus. Boarding the bus at Hancock's Grocery, corner of Highland and Waters, we continued to the "Pink Gates," (now gone) at El Portal Drive and Waters. (In their time, I believe the gates were built as an entrance to Forest Hills, in those days one of the more beautiful sections of Tampa). Crossing Armenia, we turned right

at Oak Grove Methodist Church, a small frame building, where now stands a huge, handsome edifice.

The bus stopped, as I admired the redbrick building which would be my first school. In those days there were very few brick buildings. I thought it was beautiful with the flag waving in front yard and the huge shady oak trees on the side.

Our bus driver, Mr. Barlow, walked us in, down the hall, out the back to two frame units, which housed the first graders. My teacher, Ms. Miner, introduced herself and as she saw my name said, "Welcome, I taught your sister a few years ago."

The lunchroom building was on the south side ... plus swings and seesaws. Upstairs was a big auditorium where the whole school assembled once a week for special programs, singing ... plays ... stories etc. Tampa was growing and, sadly, soon the auditorium was converted into school rooms. In my 5th or 6th grade Oak Grove Junior High was torn down and reconstructed next to Twin Lakes School. I attended the 7th and 8th grade there and "progress again" as we were all transferred to MacFarlane Jr. Hi in West Tampa.

Of all my school days, no school ever took the place of my Twin Lakes School. My teachers were: 1-6th grade, Ms. Miner, Ms. Wall (music), Ms. Gage, Ms. Mullis, Ms. Melton, Ms. Stephens and Ms. Londenber. I loved our Rhythm Band, especially the xylophone, and later the Glee Club conducted, I believe, by Ms. Wall.

Another memory comes to mind, from the 1st grade, Ms. Wall introducing herself, "You will have an easy time remembering my name ... as she reached over and tapped the wall.

And so the years passed.....

My old Twin Lakes School is gone now, has been for several years. In its place stands a huge, new Twin Lakes Elementary School, a five star rated school. I have a feeling if ratings had been utilized at that time, my old school would have rated the same figure.

The Reunion was great. Principal Lefler and the teachers were all friendly and courteous.

All in all, it was a memorable day. I hope the new school brings the joy and the memories that my old Twin Lakes School brought me and that when those students age, and grow older, the memories of their school, their teachers, their Principal will be as delightful as mine.

Luv ... S.
