### **Next Meeting , July 27th @6:00 Coach room by Tennis Courts**

Introductions. Previous meeting minutes approved

**Fundraising-** Online Popcorn sale will start from August 2nd-6th. Asking each player to sell \$200 worth.

**Principal Esi Shannon-** Excited to be here. Third High School. Wants to build on school spirit. Wants to keep student turnover rate low and important to know why if any children leave. Want to prepare players if interested in playing at college level by hosting an NCAA night in either Aug-Sept. Seniors need to be aware that NCAA looks at 7th Semester which is the 1st semester of the senior year. Each high school year is two semesters. Additionally, NCAA GPA is **ONLY** based on English, Math, History and Science required to attend a D1 school. Just a few items that will be discussed In the NCAA meeting. Looking to have a HUGE 20 year Alumni event which will be September, 17th on Homecoming. Promote that now. Have a lot of interesting things in the works to boost school spirit. Aug 2nd will be Freshman Orientation.

**Michelle(President)-** July 20th is Spirit night from 5pm-8pm at Sonics on 9mile rd. We get 15% of all sales. Stephanie will be selling \$5 Sonics gift cards that all proceeds go back into the Football club.

**Tracy(Fundraising)-** Please purchase a membership to support the Team. Membership fees are for a good cause and you'll save money along with added perks for home games if you purchase a membership pass. So far we have approx. 12 members and we'd like to exceed 42 which was the highest we've had in the year 19'-20'.

Wahoos volunteering will start with 4 volunteers until we decide we'd like to keep as a fundraiser. Age 16 and up players that work will get 5 volunteer hours per game worked.

### **Coach Rhett.**

Trying to decide on package that would accommodate children in the home that would be beneficial In package purchases. Additionally trying to work with Principal Shanon to get an **all** sports pass to accommodate WFL Seniors only but possibly one for all West FI Students. Should know more by next meeting. Week of 8/26 will practice Mon & Tues will let players know if will go remainder of the week. Aug 2nd is first official day of practice. 1st 2 days in helmets. Next 3 days in shells. Then on padded up and hitting. Freshman parents very important to get on the store now and purchase the black pants. 7/20 Lineman will go to a lineman camp at

First Baptist Church downtown. Will be fed. Raffle tickets have been handed out to all players. If you sell one packet you're done with your player fees. Encouraged to sell more as funds go to uniforms, officials, travel etc. 1st place Big Green Egg, 2nd place Big screen TV, 3rd place dinner and a Wahoos game. Cant do a camp at the school as they make the Coach buy insurance which cost more than 1/2 of what they make and all coaches have to be paid. Boston Butt sale was a success. Coaches pay is from Boston Butt Sales and Golf Tournament.
