

## FROM THE PRESIDENT

### GaSCar September 2021

Here it is September already. With the coming of the fall season GaSCar activities are really ramping up. Unfortunately, the scheduled August *Last-Saturday-of-the Month Cruise-in* to Gary's in North Augusta had to be canceled (staffing problems) but will look to resume September 25<sup>th</sup>. In July we had an excellent turnout in spite of the heat and I am sure that with the more moderate weather coming up this will make for a very pleasant evening of food, fellowship, and (of course) car talk with our GaSCar friends.

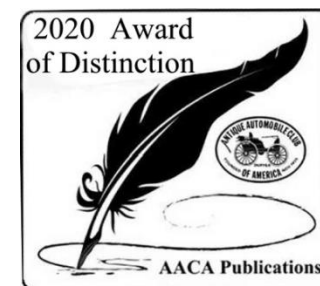

On a very sad note, we have to fondly remember one of our long-time GaSCar members, Harold Peacock, who passed away recently. Harold was a very enjoyable person with his sharp wit and analytical mind. He and his wife Carolyn, were always very active in club activities and tours and fun to be around. We will miss him very much.

Our GaSCar board met last month and went over many planned upcoming antique car related events.

These including tours, displays, car shows and other club activities and we will go over most of them in more detail at our next meeting. After such a long drought of car related things due to the Covid, the resurgence of these activities will certainly be a welcome change so be sure to keep current with your GaSCar Newsletter for details.

As always, keep our sick and ill members in your thoughts and prayers. God makes a difference! Happy Antique Motoring! See you at our next GaSCar meeting September 14<sup>th</sup>!

This is a 1965 Mercury Park Lane." It comes with most all the parts to put it back together. I do know where there is another car in town that is in better shape that is for sale. This could be your parts car. I have the original engine (condition unknown) and two transmissions that would make one. They only made 3000 of these cars and it is a unique car. I am asking \$2500.
