If the total number of teams in a division is less than 8, a single group Round Robin tournament shall be used exclusively to determine medal winners. If Group Play is used exclusively to determine medals, the coin toss will not be used. Co-winners will be declared for teams still tied after the first 3 tie-breakers. (See “Scoring”.)

Ties: In the event of a tie in the Single Elimination Finals tournament, extra time will be played to determine the winner. 2 further equal periods, each of 10 minutes duration, will be played.

In the case of a tie at the end of extra time the winner will be determined by Kicks from the Penalty Mark. Each team will take 5 penalty kicks in accordance with the laws of the game to determine the winner. (Only the players that are on the field at the conclusion of extra time are allowed to participate in penalty kicks.) If after both teams have taken 5 kicks, both have scored the same number of goals, kicks continue to be taken in the same order until 1 team has scored a goal more than the other from the same number of kicks. Each kick is taken by a different player and all eligible players must take a kick before any player can take a second kick.

If at the end of extra time 1 team has a greater number of players than their opponents, they must reduce their numbers to that of their opponents and the team captain must inform the referee of the name and number of each player to be excluded before the kicks from the penalty mark commence. The excluded player(s) must leave the field of play and return to the team bench area prior to the taking of kicks from the penalty mark.
