2015 - October 3rd - 2nd Charity Event and Poker Run To Benefit Wounded Warriors of Central Pennsylvania

Event Details

Thank you all for your interest in participating in the event this year. The event is meant to raise awareness and money to support our past and present wounded warriors of Central, PA.

The event is a motorcycle ride and a poker run. This is what the event entails.

Event Highlights

1. Includes chance to win many door prizes and entrance into the best hand poker game (prize is \$200!!). Also includes dinner at the end of the day.
2. Our ride will take us to visit those who have been there for us in the past by visiting the Veterans Hospital in Lebanon, PA. There is an onsite car show similar to the event in 2014. We will have lunch with the Veterans and then aid them in visiting the cars on location as well as the nice assortment of motorcycles we will have ridden there. We will then help them back to their respective rooms.

2. Along with the purchased ticket you will receive your first poker card, a ticket to the door prize drawings, and a meal ticket. If you pre-purchased an event T-Shirt, you will receive that also.
3. We will then head to the first location listed on the ride route where you will draw your second poker card.
