Summer break is very important in the academic lives of children. It is important
to reinforce their newly acquired knowledge and provide some form of summer
enrichment so they may practice skills they were taught over the year.

I would like to express my heartfelt gratitude to Mrs. Barbara Barker for all her
years of service to our children and Holy Spirit Catholic School. Mrs. Barker
began her career with us in 2000 as our P.E. teacher. She then became our
third grade teacher. Over the years, she has coordinated our Young Author
program and annual PAWS assessment as well as served as the Safety
Coordinator. We have been blessed to have had her for 15 years. We wish her
well in retirement and will miss her greatly.

A special thanks to all of you who have contributed to the success of our school
year. We appreciate your commitment to your child's education and Holy Spirit
Catholic School.

We wish you all a fun-filled, restful summer. God bless you!
