

## MISSION & OUTREACH SURVEY

The Affirming Ministries Program is a network of United Church of Canada congregations and ministries that declare themselves to be fully inclusive of people regardless of age, gender, sexual orientation, ability, class, economic status or race.

St. Paul's Affirm and Mission and Outreach Team values your opinions and feelings about becoming an Affirming Ministry. In advance of planning a spring workshop, we want to gather some information to help us better meet your needs. If you could kindly respond to the following two questions, fold them and put them into the collection plate, we will review these as a team.

We will circulate these questions again in April for those who miss this week.

If you would rather respond verbally or by email, please feel free to contact Merydth Holte-McKenzie at 613-264-5071 or [merydth@gmail.com](mailto:merydth@gmail.com)
