## Dancing With The Stars Of Ahwatukee

*Carrie McNeish Celebrates with Nabers*

By Vanessa Selby-McGuigan | Sponsored By RedStone Mortgage

Our very own Foothills Living Event Coordinator and Sponsor, Carrie McNeish, is celebrating her one year anniversary of free line dance lessons at Nabers Bar and Eats located in the Casa Paloma Shopping Center.

Just recently McNeish reminisced about the evolution of Line Dancing at Nabers, explaining that Graham Central Station in Tempe closed its doors in 2012, leaving loyal dance patrons in need of a place to socialize and dance. McNeish says, "Grahams is where I started taking line dancing lessons back in 2001, and that's what fueled my idea for my Linedancercise fitness classes. I met so many great people there!"

Many of these "great people" became McNeish's Linedancercise class members who would often meet for lunches at Nabers, which opened in 2013. Shortly thereafter, these members suggested having classes at Nabers because it has a country, rock, rustic vibe they felt would be a good fit.

Turns out, it was a great fit; Denise Holliday, General Manager of Nabers, says, "Carrie does a great job teaching and everyone has so much fun! Nabers has become the 'go to' place for dancing and socializing on Wednesday evenings!" In fact, they are offering a Wednesday "Whiskey, Wine and Line Dance" special for June in honor of the anniversary, and you can bet McNeish's dancers will be there to celebrate 6:30pm to 8:30pm.

One loyal dancer, Lorraine Genthon, says, "I've been taking Carrie's line dancercise classes for over 10 years, and I still look forward to going to class each week. Carrie keeps us laughing and having fun while learning the moves."

In addition to her partnership with Nabers, Carrie teaches Linedancercise at the Pecos Community Center and offers both daytime and evening classes. She says, "The more classes you take

## YOUR COMMUNITY MORTGAGE LENDER

At RedStone Mortgage, Steve Glover is:

- A Proud Desert Vista Volleyball Dad
- A Community Leader, Helping You Build Your Community
