- Optional – Fabric scraps (each piece at least 2" x 2" square) and choices for borders and backing. Students can also save some time by pre-cutting a variety of fabrics to add to their piece, including cotton prints, batiks, fashion fabrics, novelties, silkies, suedes, tapestry, velvet, anything!

I'll also have some of the fusibles and other fun merchandise available for purchase at the workshop.
- Please supply 1 iron per 4 students.
