

Date: October 26, 2012
From: Jeff Garrison, Disaster Readiness Solutions
Subject: DRS Announcement

[Disaster Readiness Solutions \(DRS\)](#) is dedicated to deliver scalable, spend-smart recovery program solutions through strategic partnerships with industry-leading providers in the fields of Virtualization, Colocation, Hosted, Self-Insured, and Third-Party Recovery products.

DRS is now a Professional Partner with VMware. In addition to certification as a VMware Sales and Technical Sales Professional (VSP/VTSP); being a Professional Solutions Partner with VMware provides additional products and tools available through DRS to help better serve the customers' recovery program needs.

Please visit DisasterReadinessSolutions.com for further information, product sheets, and company detail.
