- Jib arm comes with a remote head that gives the operator full control either by hand wheels or joy stick
- Jib can hold most compact 35mm, 16mm film cameras
- Breaks down into 4-foot sections. Can easily be shipped outer-island.
- Can be mounted on a dolly for another axis of movement.
- Fits on a stage or set easily.
- Travel as baggage reducing transportations costs.
- Joy stick or geared head style operation
- Ability to change boom and head configuration quickly.
