

Flambeau Gravel Grinder (FGG)
Race Rules and General Information:

09-08-2018

Safety is our main concern. Helmets must be worn and fastening during the race. The FGG will have three race distances to choose from. (See the Registration" page for fees and prizes.)

-19-mile race consists of 15% Snowmobile/ATV trails, 36% Gravel and 47% Asphalt.

-30-mile race consists of 10% Snowmobile/ATV trails, 70% Gravel and 20% Asphalt

-60-mile race consists of 5% Snowmobile/ATV trails, 80% Gravel and 15% Asphalt.

All races will start at the Rusk County Fairgrounds and finish on the beach in Memorial Park.

All roads are open to traffic and all riders should expect light vehicular traffic, farm equipment and wildlife.

We will have a police escort until we get out of downtown Ladysmith.

For the last half (1/2) mile of the race we will block off the right shoulder of HWY 8. All riders **MUST** stay within the blocked off area.

Please observe all stop signs and listen to our volunteer's instructions at cross roads.

We will have two pit stops for the 30 and 60 miles races. You are responsible for your bike repairs, water and food.

Support vehicles are allowed **ONLY** at the pit stops. All vehicles wanting to go to the pit area will be given direction.

We suggest you use any type of bike that you feel comfortable on, whether that be MTB, Gravel, road or single speed.

Cue sheets will be given to all riders at registration and extras will be available at the start.

We will have children's races, entertainment, awards ceremonies and food and drink vendors until and after the rider's finish.

There will be canoe and kayak rentals all day.

Please come for the race then stay for the rest of the day enjoying the woods and water of beautiful Rusk County and the

Flambeau River System **Let's have some fun!**
