

Dear Parents,

What a week! I have been praying for and missing your kids every day. As you know, spring break has been extended for two more weeks. I'm sure your children are devastated, but tell them not to worry- I have included here some resources that will help them feel like they can still be in school!

On a serious note, I know that your first priority is keeping your family healthy, happy, and calm during this crazy time. Use as many or as few of these lessons and activities as you'd like. Every day, try to make sure you and your child read, play, and pray. Everything else can be taken care of when this passes. If I can be of any help, do not hesitate to email me at valentine@peterandpaultulsa.org. If I don't have the answer, I feel pretty confident that my colleagues at Peter and Paul or at ACE will.

Stay healthy and stay sane! You are in my prayers every day, and I can't wait to see you on the other side of this.

All the best,

Ms. Valentine
