STUDENT COUNCIL

By R. Brower

On April 16th come and watch local residents try their hand at playing basketball while riding a donkey. Presale tickets will be available middle of March. All proceeds will go towards a new marquee for our school.

MUSIC DEPARTMENT

By Matt and Jen Goettle

On Thursday March 22, we will be holding a middle school music festival for our students in grades 5-8. The full bands and choirs will perform as well as solos, duets and ensembles. The public is invited and encouraged to attend. Events will take place at the school and the Lutheran Church. A schedule will be provided ahead of time so you will know when things are happening.

It is important for the students to be prepared: Ask them to perform for you at home, ask them if they've practiced today, and encourage them to do so, remind them to bring their instruments home, etc. Practice times can be arranged with Mr. Goettle for students to come in before or after school. Mr. Goettle would like to meet with each student at least two times before the music festival.

The high school music festival will be on April 20 and 21 in Culbertson. Many students have already started working on solos and small group ensembles. I encourage each of the students every year to consider being in a solo, duet, trio, or other small group. Performing outside of the regular large choir or band is such a rewarding experience. It builds confidence, strengthens musical ability, creates a good work ethic through practice, and helps overcome fear of public speaking.

Powerschool is a great tool for communication between teachers, students AND parents. Remember to check on your child's progress in classes by not just looking at the overall grade, but the daily points and progress. With 55 students in high school choir and 40 in high school band, it is the easiest way for me to give comments on behavior, practice, and observation of skill.

We would like to thank the parents for the commitment you've made in helping create and maintain a strong music tradition in Scobey Schools!
